Only the palms are left

STATELY palm trees grace the entrance to the old Payne home. Last week Campbell Press photographer Phil Nelson and reporter Pat Safford visited the "old home." Today only rubble remains as the Payne home was razed for a development. For more photos and a story about historic building and its fate, see pages 10 and 11 of today's Campbell Press.

Question of apartment use requirement delays OK on senior citizen apartments

Can city planners require owners of a proposed senior citizens apartment complex to enter into an agreement that "the project will always be used for senior citizen housing."?

This question caused a snag at the Monday night meeting of the Campbell planning commission.

The application for a zone change from R-3-S to P-D was continued by planners so City Attorney J. R. Dempster can study that question.

A 130-unit, three story complex on a 4.2 acre site at 601 El Patio drive is proposed by R. Ferrante and J. Errington.

One of the conditions of approval, which also includes additional landscaping and installation of a manual fire alarm system, calls for the use agreement.

Planning Director Arthur Kee told planners Monday he questioned whether any such agreement would be enforcable. Dempster told the commission that statutes relating to non-discrimination in housing includes age, along with race, sex and other considerations. A definitive report by Dempster is expected at the Oct. 15 meeting.

Complicating the situation is the statement by Kee that "senior citizen housing is the only project the planning staff could recommend on this site." Modifications in usual planning guidelines include 99 parking spaces for the 131 units. With conventional use, Kee said, this would not be adequate.

In other action planners:

- Approved the sign application of Carl Swenson for an expressway orientated sign at 700 W. Hamilton ave.
- Continued the application of Stanley E. Scott for approval of plans for construction of three warehouse buildings at 335 McGlincey lane.
- Approved a request by Leonard Borello (Parnas company) for a one year extension on their proposed commercial development at 2325 Winchester boulevard.
- Approved the application of James Cane for approval of plans for construction of an industrial building at 251 E. Hacienda ave.
- Approved the application of John A. Hughes and Wayne M. Hopp to convert two existing residences to professional offices at 44 and 58 Rosemary lane.
- Continued public hearings on proposed amendments of the Campbell municipal code dealing with allowed projections into front and side yards until Oct. 15.
- Held public hearings to consider amending the Zoning map and Land use element of the General plan.

School board sets meeting

A special meeting has been called by Campbell elementary school trustees for tonight, Oct. 3, at 7:30 p.m. in the district office, 155 N. Third st.

Trustees will hear a report and consider possible action on district enrollment, class sizes and combination classes.

Meetings are open to the public.

Rental licensing session changed to Oct. 16

The study session on possible apartment house licensing in Campbell has been changed from Oct. 17 to Tuesday, Oct. 16, according to city manager Bob Stephens.

The meeting begins at 7:30 p.m. in the council chambers, 75 N. Central ave.

At the Sept. 24 meeting, councilmen set the study session to examine possible discrimination in the rental policies of apartments here and to explore the issue of licensing local apartments. Funds from licensing would be used to enforce non-discrimination in rental units.

The meeting is open to the public.

ON THIS SITE SOON will be the new Campbell library. Bids were recently let for the $800,000 project. Bid opening is set for Tuesday, Oct. 16 at the city hall. Pictured above is Dolly Larvick, children's librarian. The new building, directly across from the Campbell city hall on Central avenue, will have a seating capacity of 200.

Seniors aid plan tops council agenda

City councilmen will hear a special report by Jeanette Watson, chairwoman of the civic improvement commission, outlining the type of assistance needed by senior citizens in Campbell at the Oct. 9 council meeting in the council chambers, 75 N. Central ave., beginning at 8 p.m.

The regular meeting of the city council is moved forward one day since Monday, Oct. 8, is Columbus day.

In other business councilmen will hear a staff report on a meeting between the John Martini family and members of the city staff. The Martinis have requested assistance from the city because their 633 Hacienda ave. home is surrounded on three sides by an apartment complex and land where a proposed development is under study.

The home sits 600 feet back from the street and the dirt road which connects the street with the Martini home is owned by the city. Originally, the entire parcel was owned by Mr. and Mrs. Gaetano Turturici, parents of Mrs. Martini.

A request for an additional $10,000 to fund a youth employment program for this year also comes up for discussion.

Throughout the summer local youth served in various departments at city hall. Response from city staff has been enthusiastic, and councilmen will be asked to continue the program.

Campbell's youth advisory commission will also present a recommendation that the city include bike trails into the circulation element of the general plan.

Installation schedule set for NOx control devices

California Air Resources board has adopted a resolution setting a statewide installation schedule for oxides of nitrogen control devices on all 1966-70 model light duty vehicles.

The only exceptions will be vehicles exempted because installation is technically not feasible.

Public hearing on affirmation of the resolution will be held Oct. 30 in Los Angeles. The resolution stipulates that installation will be keyed to license plate numbers. Vehicles with final license plate digits of 1 must have the devices installed between Jan. 1 and Feb. 28, 1974. Vehicles with final digits of 2 must have the installation in Feb., 3 in March, 4 in April, 5 in May, 6 in June, 7 in July, 8 in August, 9 in September, and 0 or letters only in October.

Under state law, installation of the devices will be a condition of registration for 1966-70 model vehicles in 1975.

In the San Francisco Bay Area installation of the devices will be required on resale of 1966-70 vehicles or first registration in California starting Oct. 1, 1973.

Minority support for teacher stand

Gap between teachers, board widens

By PAT SAFFORD

THE DIVISION between a majority of the school board and teachers in the Campbell elementary district continues to widen while two board members recently spoke out in opposition to a decision by that majority.

Clashes occurred throughout the evening as Campbell trustees met last Thursday in the district office where an overflow crowd filled the hallway. The meeting was later reconvened in the auditorium of Castlemont school.

While several controversial topics got heated treatment from members of the audience, the majority of which were teachers, at issue is release time for organizational representatives.

In recent years the Campbell Elementary Teacher's association president has been allowed the last two periods of the day for released time for organizational business. Cost of this was borne by the teacher's group. This year teachers requested half-day release time for two representatives.

THE BOARD COUNTERED with an offer for up to four days yearly for representatives of each employee organization.

On Aug. 1 trustees directed the administration not to grant release time until the issue is settled.

Clerk of the board Jennie Vaughan told the audience Thursday night that she was not present at the meeting where the vote was taken. "I do not support the action of the board majority in this matter," Mrs. Vaughan said. "I will present a minority report at the proper time," she concluded.

Dr. Richard MacQuiddy also voiced opposition to the board's stand and said, "I will make a further statement at the time the fact finding committee meets."

A three member committee will meet to investigate the "persistent disagreement," over the issue of release time. Representatives of the school board and teacher's association have already been selected. The two must still appoint a third member agreeable to both before meetings can begin.

AT THE AUGUST MEETING, where trustees voted to discontinue the practice of granting release time pending settlement of the dispute, Board President Dr. Robert King, Vice President Gordon Abbott and Trustee George Baker voted for the motion. Dr. MacQuiddy abstained and Mrs. Vaughan was absent.

The clashes started shortly after the meeting got underway last week when Carroll Bergdahl, CETA president, queried the board on why the practice was discontinued.

"On advice of county council," Dr. King said, "the board members have been directed that it is inappropriate for them to publicly discuss issues which are in persistent disagreement."

In a statement issued later the local teacher representative charged that teachers had been "slapped down by the board."

At the meeting she pressed for a commitment by the board that they would abide by any recommendation made by the three member committee. Dr. King said the board would take any recommendation under advisement.

UNDER DISTRICT POLICY the board hears the findings of the committee but is not required to abide by any recommendation the committee may make. The CETA has agreed to abide by any recommendation, Ms. Bergdahl told trustees.

The audience applauded loudly when Turstees Vaughan and MacQuiddy voiced their opposition to discontinuing release time and throughout the evening as teachers, and parents, voiced support of the teachers' position.

Study committee appointed by board

TWO SCHOOL trustees were appointed to a committee which will study possible affirmative action programs at a recent meeting of the Campbell union (elementary) school board.

Affirmative action plans are designed to examine and rectify discrepancies in the practices of an organization regarding employment of minority groups.

Board President Dr. Robert King appointed Jennie Vaughan, clerk of the board; and Gordon Abbott, vice president; to the committee which will report back to the board at the Thursday, Oct. 11 meeting.

Last week trustees heard a report by Fred Peterson, assistant superintendent, which recommended school officials consider appointing an affirmative action officer for the district and that a committee be formed to develop a recommended plan for the board to follow. Peterson further recommended that the board "direct the superintendent to meet and confer with the Certified Employee council and Classified Employee organizations in an effort to reach agreement on establishment of an affirmative action committee.

FOLLOWING THE presentation Trustee Abbott issued a statement which called for delaying action on the proposals until board members have time to give the plans more consideration. "I feel strongly about the need for an affirmative action plan," Abbott said, "however, I want it to be implemented correctly." He called for forming the two member committee to report back to the board. The motion passed with King, Abbott and Trustee George Baker voting in the affirmative and Trustee Dr. Richard MacQuiddy opposed. Mrs. Vaughan abstained. "I don't see any value in delaying it (the proposal) any further," MacQuiddy said.

IN OTHER ACTION the board:

- Approved preliminary plans for faculty room expansions at Hazelwood, Rosemary and Sherman Oaks school. Total cost of the project was estimated at $131,900, according to Bill Hall of Higgens & Root, district architects.
- Heard an enrollment report by Superintendent James D'Avis which indicated district enrollment as of Sept. 20, was 9,987. On opening day, Sept. 6, there were 9,519 pupils enrolled.
- Called for a report by the administration on combination classes, the number of pupils being bused to alleviate overcrowding and the number of classrooms with enrollments of 30 or more. A special board meeting may be called before the Oct. 11 meeting, to hear the report.
- Adopted the Santa Clara county basic course of study for the 1973-74 school year.
- Approved official recognition for the Campbell Elementary Administrators association. Robert Turk, principal of Rolling Hills school is president of the new organization.
- Unanimously approved submitting an application for additional ESEA Title I funds. Allan Watson, coordinator of federal programs; reported that an additional $21,459 will be sought. Local funding of the program to date is $161,469, Watson reported.
- Voted unanimously to issue a statement supporting district administrators and teachers in their enforcement of "appropriate standards of student conduct and discipline."

A recent incident at Monroe school involving high school students prompted the statement which also noted, "Attacks, assaults or menaces against employees and students will be dealt with in accordance with state laws."

According to reports, the four students refused to leave and an altercation occurred between the students and teachers at the elementary school.

- Held a first reading on proposed policy streamlining the handling of bids in the local district.

Bonus benefits at issue

Has Campbell high been paying too much?

TEACHERS ASKED THE Campbell union high school board last week to add the five per cent bonus authorized earlier this year to the regular salary schedule prompting several trustees to ask why the matter had not first been brought to the administration. "This is the first time I recall," said trustee Mac Martinez, "these channels have not been used."

Teacher association president George Van Buskirk wanted the switch because he said, employee retirement and other benefits are not paid on "bonus" pay, according to the education code. "We've been paying longevity and master's bonuses for many years now," superintendent Nick Montesano replied. "If what you say is true, we've been overpaying the teachers."

Last Thursday district sources reported the regulations had been checked and that, where bonuses are included in a teacher's contract with the district, retirement and other benefits may be paid.

PRINCIPALS AND STUDENT BODY presidents from throughout the district attended the meeting last week to report on the new student self-scheduling program (SSS) used throughout the district this fall.

Most student leaders gave the new program—which allowed students to select their teacher, class and lunch time— good marks for the increased independence it offers, but two leaders reported problems at their schools. At Westmont high school some students had to wait from two to three hours to get their schedules, trustees learned.

In other business the board:

- Requested a legal interpretation from county counsel on a recent counsel policy calling "all works developed by any employee in the scope or as a result of his employment with the board of trustees and the district. . .the sole property of the board of trustees, including all rights of copyright for such works."

WITH MORE INDIVIDUALIZED instructional materials now allowed throughout the state, many teachers are developing their own texts and guides. In at least one case in another district, trustees learned, a teacher applied for a copyright on materials developed by a group of teachers, including the applicant during school time.

Trustees expressed concern over the scope of the suggested policy statement. Board president Dorothy Goble, commented, "We do not want to stifle the creativity of our teachers."

- **HEARD A DISCUSSION** on the difference between diesel-and gasoline-powered school buses. While six district buses are in need of replacement within the next few years, according to assistant superintendent Jim Gillespie, two are needed immediately.

TRUSTEE William Murphy questioned the use of diesel engines for short-haul trips (two blocks or less), while a member of the audience spoke in favor of the higher-priced vehicles. The last bus purchased in the district, Gillespie said, was in 1965 at a cost of $20,000, and a new diesel-powered bus is expected to cost about $30,500.

- Authorized submitting an application for fiscal independence with the state department of education. Filing deadline for the 1974-75 school year is Oct. 10, Gillespie told trustees, and districts that are fiscally independent may deal directly with the state and use their own reporting methods rather than the one adopted by the county board of education.

Upon receipt of the application, the state investigates the district, with determinations based on the district's ability to perform fiscally, Gillespie said.

- Authorized an increased of substitute teachers' pay from $25 to $28 daily for regular substitutes and from $28 to $31 for long-term employees.

The Towers - filling up at record rates

Bold silhouette in Campbell's sky

By PAT SAFFORD

NINETEEN STORIES tall, jutting into the sky with its stark, bold, all-glass silhouette . . . the Towers.

Tallest building between Los Angeles and San Francisco, the Towers, combined with the 10-story Towers II contain 250,000 square feet of space and house firms ranging from a large banking firm and regional insurance offices to the local district office of the Federal Bureau of Investigation.

Construction on the Towers began in 1969 and leasing began the following year. Occupancy is now at some 98 per cent, according to Russ Farko, leasing agent for the buildings.

Towers II, where construction began in 1972, was ready for occupancy this past March and the rate is already about 50 per cent, according to Farko.

AT A COST OF 60 to 70 cents per square foot, the Towers buildings rank as the most expensive in the valley, Farko explained, yet the new building is being leased at record rates while throughout the county there are some 1 million square feet of unoccupied office space.

The reason? "The Pruneyard is one of the major reasons people consider this location," Farko said.

With 11 restaurants, three movie theaters and 60 retail stores and shops so close at hand, in a setting of old-world Spanish styling, the location is considered tops in the county.

In addition to serving as a landmark for travelers throughout the area, the Towers also serves the same purpose for approaching air flights, according to Farko. "We are now over the Towers," is a familiar message radioed to the control tower at San Jose airport.

All but one floor at the Towers is occupied. The top floor is devoted to air conditioning and other support systems for the building.

THE FIRST FLOOR is occupied by a savings and loan association, travel service and insurance company while the second floor includes such firms as a national temporary office help agency, investment firm and a vending machine company.

The third floor contains over 30 individuals and firms including lawyers and accountants, loan companies and a cosmetic firm. The fourth floor includes a bank, and a securities broker while the fifth is devoted to a national insurance company.

On the sixth floor can be found the local FBI office and the seventh contains such firms as a medical billing service and insurance firms. A communications company occupies both the eighth and eleventh floors while the ninth is devoted to offices of the Pruneyard and Towers.

AN ELECTRICAL firm and a coin counter company are on the tenth floor while the twelfth is occupied by professional offices. A teacher's management firm is on the thirteenth floor along with other firms and a mortgage company and properties investment firm are located on the fourteenth floor. A computer service and investment company are listed on the fifteenth floor while an acceptance company is included among firms on the sixteenth. Finally, a restaurant fills the seventeenth and eighteenth floors.

A collection of firms representing a wide range of concerns . . . The Towers.

LANDMARK OF THE Santa Clara valley, the 19-story Towers building is visible for miles. In the background is the 10-story Towers II.

---

siren sounds

LOCAL WOMAN HURT

Karen Elaine Rutlen of Campbell was reported in good condition in the intensive care unit at a local hospital after suffering multiple injuries in an accident Saturday in which a passenger, Clifford Lawry of Campbell, died.

According to the California highway patrol, the car was proceeding northbound on Highway 17, near Summitt road in Los Gatos, when Miss Rutlen apparently lost control of the car and struck a tree.

STEAK HEIST

Total loss at the burglary of Poor Yorick's Pub last week was set at $1,920, including 20 New York steaks. According to reports, the E. Campbell ave. restaurant was broken into and a micro-wave oven, electric typewriter and television stolen.

Meat was also stolen from the Melvin J. Lindstrom home on Coleen way last week.

According to police reports, missing from the freezer was 20 pounds of meat, 10 cans of orange juice and eight fruit pies.

EXPENSIVE FITTINGS

Apcos Plumbing, 266 McGlincey lane, reported over $3,000 in copper fittings and tubing missing from the firm's warehouse last week.

SOME PRANK

Police were called to Campbell community hospital last Friday when a letter received at the local facility was thought to contain an explosive.

The letter was placed outside away from the building until police arrived.

No "letter bomb" was found but the envelope had been rigged to give that impression, police said.

ROCKING HORSE THEFT

The home of a Campbell teacher was burglarized last week and total value of the loss was set at $1,840.

Missing, according to reports, were jewelry and antiques . . . including a rocking horse.

TOOLS GONE

When Earl W. Reeves, 324 Ester ave., returned home last Thursday he found his garage broken into.

Missing, according to police reports, were tools valued at over $500.

CONSTRUCTION STALLED

Construction at Campbell's Rincon Park was stalled last week when vandals damaged two tractors and destroyed the wiring to the sprinkling systems being installed at the Rincon avenue site.

Total damage was estimated at $2,500, according to police reports.

JUST OUT FOR A DRIVE

Attempts by two local youths to "cover their tracks" last week led to a second charge; filing a false report.

According to police reports the 16-year-old girl and 15-year-old boy were out for a drive in a car belonging to the boy's brother-in-law, without permission, when the auto struck a parked car. Both cars were totaled in the accident, according to reports.

A few minutes later the boy called in a stolen car report on the vehicle.

Later questioning led to the real story . . . and to a charge of misdemeanor hit and run for the girl and filing a false report for the boy.

Head Start children will need more male volunteers this year

Men are needed to help with the Santa Clara county head start program, it was announced here recently.

According to Jack Browne, Head Start information chairman; the response of women volunteers in the Campbell area has been good but more men are urgently needed for the program.

More than 40 per cent of the children in the program come from one parent homes, Browne said, and a male image is very important to young boys. The male volunteers function as a substitute father or grandfather, he said.

The volunteer should be a good listener, Browne said, to be able to talk to, rather than at, the youngsters.

Help with field trips or with teaching youngsters how to handle tools, are examples of the kinds of assistance needed.

For more information about the program contact Browne at 299-2417.

For local stores

Criminals burned by city Hotline

RECENTLY A MAN and woman walked into a local bank and applied for cash on their credit card. When bank employees became suspicious, the couple fled.

They were using a stolen credit card.

Description of the couple went out immediately over the Campbell Hotline and a few minutes later, as Marlin Jones of a Bascom avenue paint company hung up the telephone after his Hotline call, the girl walked into the store. He phoned police, the arrest was made and the man was apprehended a few minutes later.

Originated by the Campbell chamber of commerce in January, the Hotline program has served several local shopping centers. This week the chamber is launching the service to all Campbell retail businesses.

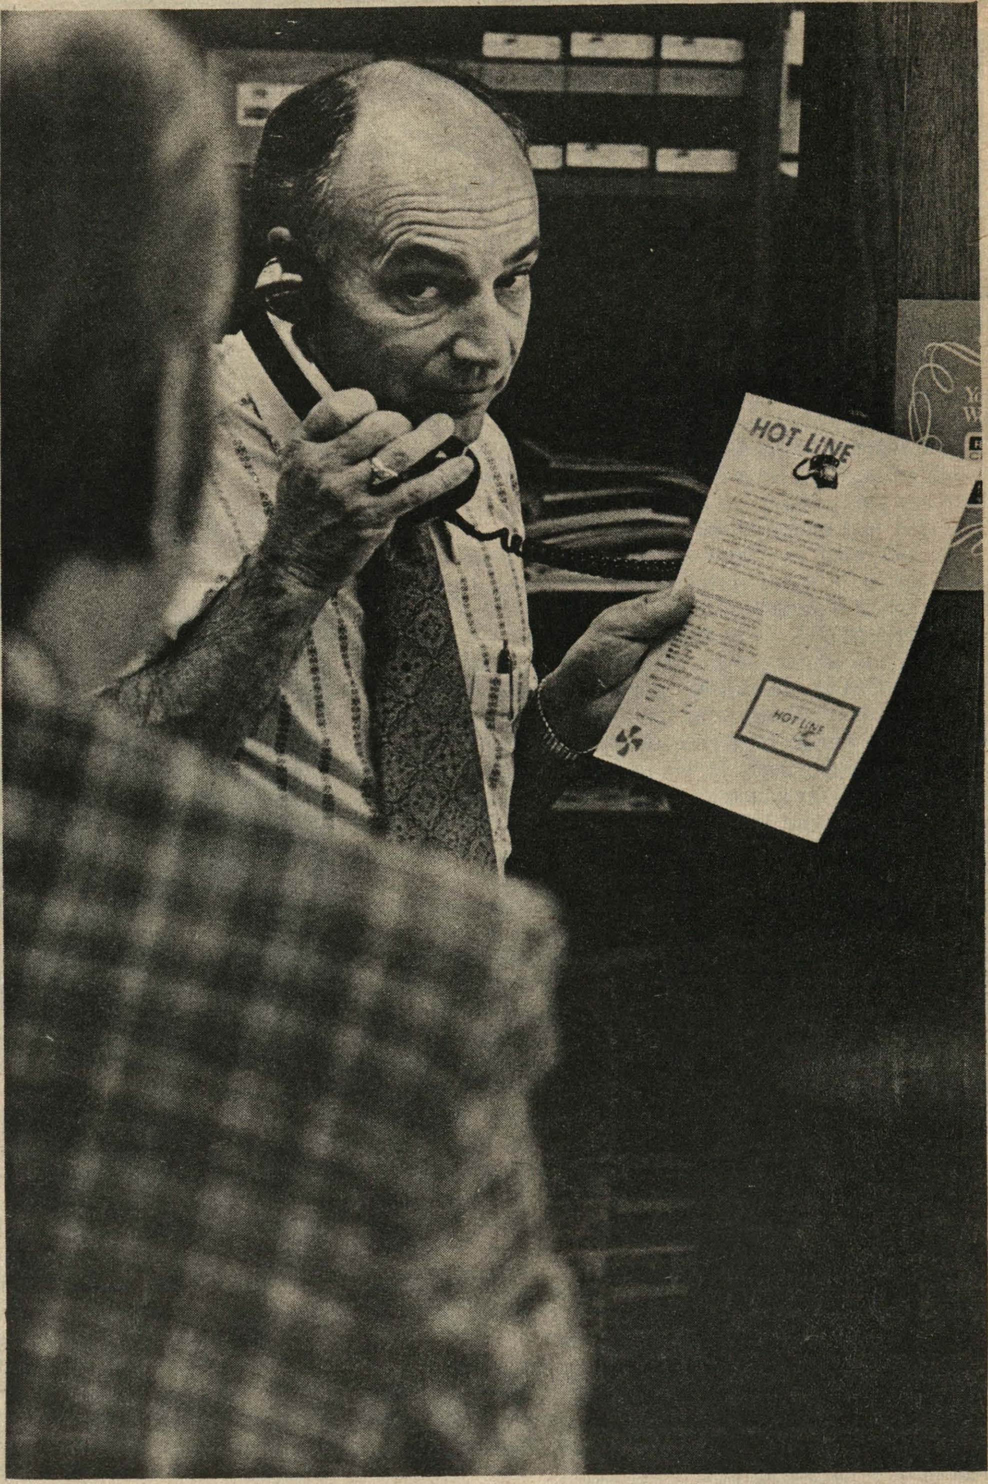
ACCORDING TO DAN KNOWLES, local businessman and chairman of the chamber retail committee, the Hotline program is prepared to serve all of the estimated 300 local businesses in Campbell. When a local businessman spots a shoplifter or a person using stolen credit cards or checks, he calls the Campbell police, Knowles said, and the police contact the Hotline number at the chamber office.

The chamber alerts the five members of the retail committee who, in turn, call an additional five local businesses. From that point on, he continued, each businessman called makes one call to another business.

Business owners do not have to be a member of the chamber to take part, Knowles emphasized. The $3 registration fee includes description memos, a poster and red-and-white stickers which read, "This business is protected by the Campbell Hotline," all for display in the store.

The program will be expanded soon, Knowles said, to accommodate businesses open weekends and evenings (the chamber keeps banker's hours).

For more information about the program, interested persons may contact the chamber office at 378-6252.

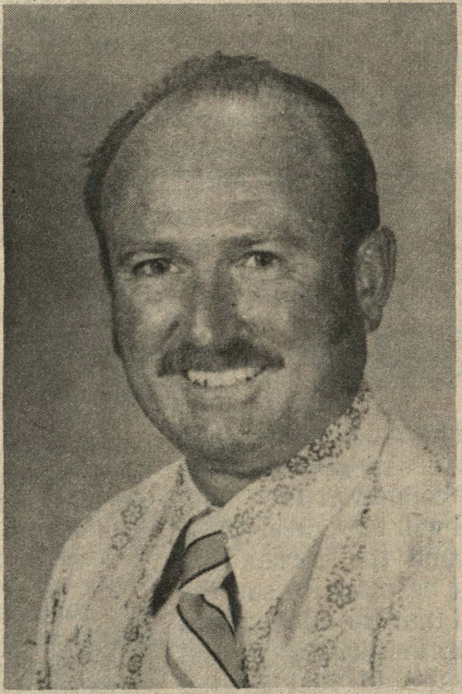


BUSINESS OWNER Rex Jeffers checks out the new "Hotline" sponsored by the Campbell chamber of commerce. With the cooperation of local police, Campbell merchants hope to cut down on the number of losses through theft, bad checks and stolen credit cards. (Photography by Bruce McClelland)

Special collection for black Catholics

Sunday, Oct. 7, is the day for a special collection in many Catholic churches. Catholics will be asked to contribute funds for the national office for black Catholics, a relatively new venture.

Money collected that day will be used for vocations recruitment among black Catholics, development of Afro-American liturgical forms, theological and pastoral education programs for people who plan ministry in the black community, and educational services for Catholic schools in black neighborhoods.



GENE SMITH was recently named vice-principal of Forest Hill school in Campbell..Smith began his teaching career in 1961 at Blackford elementary. He then taught fifth grade at Hamilton and Castlemont schools and in 1968 moved to Cypress school and a seventh and eighth grade teacher.

Apartment manager licensing considered by supervisors

Licensing of apartment managers and owners in Santa Clara county was considered by the board of supervisors last week but action was postponed for 90 days.

The delay will allow for the outcome of court suits involving a similar ordinance in Palo Alto.

The Palo Alto ordinance, aimed partly at discouraging housing discrimination by giving authorities some control over owners or managers who discriminate, has been tangled in the courts since July 19.

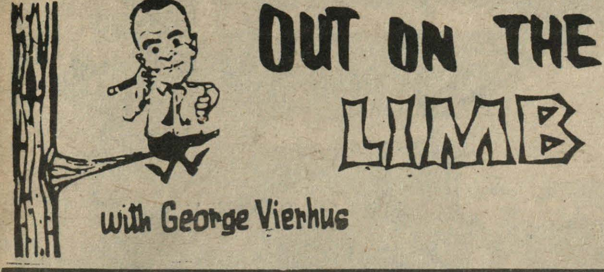
If the county were to enact the fee schedule used in Palo Alto, apartment managers would be charged $10 annually.

Daniels quits in Moreland

ALLEN L. DANIELS, business manager of the Moreland school district for more than eight years, submitted his resignation to school trustees last week.

His resignation becomes effective Dec. 31. Daniels, 50, plans to go into private business.

NEW YOUTH commissioner Russell Lopez, right, is pictured with (from left) Ben Gullo, chairman of the youth advisory commission, and Kevin Duggin, staff assistant, shortly after he was appointed to the commission by city councilmen last week. Lopez was picked from among seven applicants for the post.



George Vierhus is on vacation. Guest columnist this week is JAMES D'AVIS, superintendent of the Campbell union (elementary) school district. A former teacher, vice-principal, principal and assistant superintendent, D'Avis has held the superintendent position since Oct. 1971.

JIM D'AVIS

ENROLLMENT

Our total enrollment on opening day, Sept. 6, was 9,519. By the 11th of September that number had grown to 9,827 and by Sept. 20 our enrollment was 9,987.

It appears that these figures will level off at approximately a 2 per cent drop from the previous school year. This has been our pattern since 1967-68 when our enrollment peaked at just under 11,800 students.

The following overview summarizes the four areas of kindergarten, primary (grades 1-3), intermediate grades (4-6) and upper grades (7 and 8).

Kindergarten — As of Sept. 19, we had 33 teachers and 1,021 pupils in kindergarten. This is a 30.9 average, with the district high at 33 (10 classes) and the low at 27 (2 classes).

Most of our kindergartens have shared teaching assignments which gives some relief to this situation.

Primary — On Sept. 19, we had 125.5 primary teachers with 3,115 pupils for a district average of 24.8. The high was 30 (one class) and the low was 17 (one class). The one-half teacher reflects a combination ¾ class. The legal limit for these grades is 32.

Intermediate — Again, on Sept. 19, we had 123.5 intermediate grade teachers with 3,351 pupils for a district average of 27.1. The high class is 36 (two classes) and the low is 21 (three classes). Most classes cluster around 26 to 27. There is no legal per class size limit for the intermediate grades, but current averages are less than in previous years.

Upper Grades — We had 2,391 upper grade pupils and 108 teachers, including all special teachers who teach smaller classes such as shop, home economics, etc. The numerical average is 22.1, but the existence of special classes and preparation time moves this to a ratio of 26.6 pupils per teacher.

PLAYGROUND SAFETY

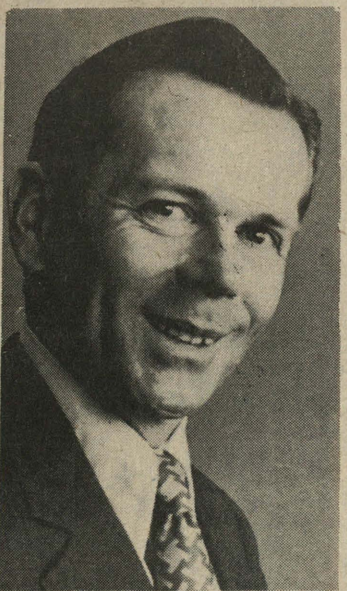
The district is accelerating its program to improve the safety of children on our playgrounds by replacing tanbark or shavings under playground equipment.

During the last school year, we experimented with a 1½'' thick mixture produced from shredded rubber and other fibrous substances bonded together by urethane. This protective padding has been placed under the playground equipment in three of our schools.

The use of this substance has proven successful by providing a permanent, safe surface rather than loose materials which are scattered by the wind or kicked away through use.

Current plans call for the installation of this safety surface under playground apparatus areas in all of our schools.

The cost of this installation will come from site development monies in the community service fund. Long range savings will occur as we will not need to pay for the continual replacement of shavings and-or tanbark.



I was pleased to be asked by George to substitute for him in the Out On A Limb column while he and Dorothy are on vacation. I would like to take this opportunity to wish them both a very relaxing and enjoyable vacation. Writing this article will give me an opportunity to tell you some of the current things happening in the Campbell union (elementary) school district. I've attempted to select topics which are of interest to a large number of readers.

READING SCORES

The results of our annual state mandated primary reading tests scores over the past three years indicates a positive trend. Three years ago, 28 per cent of our first graders scored in the lowest quarter on state norms. Two years ago, as second graders, only 14 per cent of these youngsters scored in this lowest quarter. Preliminary scoring of last year's results show that as third graders an even smaller percentage of this group scored among the lowest 25 per cent statewide.

At the other end of the scale, only 18 per cent of our first graders scored in the highest quarter in 1971. This percentage increased to 30 per cent as second grades, and preliminary scoring again indicates another substantial jump in the percentage scoring in this top 25 per cent as third graders.

This dramatic shift is the result of the continuing effort of a dedicated and talented group of educators. This includes classroom teachers supplemented by reading guidance teachers, Title I resource teachers, teacher aides, and all other auxiliary and support personnel.

BUDGET INFORMATION

On Aug. 1, the board of trustees of Campbell school district, after conducting a public hearing, adopted a budget for 1973-74 in the amount of $17,275,633, an increase from the 1972-73 budget of $16,821,605.

While the total budget of the district has increased from 1972-73 to 1973-74, the total tax rate, as estimated in mid-August, 1973, is projected to result in a decrease of 32½ cents. To the homeowner with a home with a market value of $30,000 this would result in a tax decrease as far as the elementary school taxes are concerned, of about $25 per year.

In comparing the tax rates between 1972-73 and 1973-74, the following figures are helpful:

	1972-73	1973-74
GENERAL FUND		
General purpose	$2.724	$2.473
Areawide	.990	1.006
School building loan	.203	.206
Meals for needy	.000	.005
Community service	.050	.050
Total general fund	$3.967	$3.740
Bond interest redemption	.417	.290
Children's center	.006	.035
TOTAL TAX RATE	$4.390	$4.065

NEW FINANCE CONCEPT

The whole concept of school finance has been changed from one of "how much can be raised by applying a maximum tax rate" to one of "how much can be raised by adding an inflation factor to the amount raised last year." In other words, district incomes are based on how much was spent the previous year, rather than how much can be raised by maximizing the tax yield.

The Campbell board of trustees has, after serious and lengthy consideration and discussion with employee organizations, adopted a budget which it believes will: maximize the instructional program for children within available money, and reasonably ensure operation and fiscal solvency of the district in 1973-74.

PARENT INVOLVEMENT

The board, administration, and teachers of the Campbell Union School District are committed to the concept of parent involvement in the educational program. Over 800 volunteer positions existed at the beginning of this school year. Included are volunteers serving in the schools in various capacities, as well as serving as members on advisory committees. The parent volunteer program hopes to expand during this school year, and to involve a greater number of volunteers as aides in the classroom, in the library, and on special projects. Others perform clerical jobs, serve as resource persons, and perform tutorial responsibilities.

Individual volunteers provide services ranging from one to 12 days per month. The average length of a day's service for a volunteer is two or three hours per day. A district coordinating council has been formed to assist in the development and training of Campbell school volunteers.

A special course, established in cooperation with West Valley college, is meeting on Monday nights at Blackford school to provide orientation and training to those interested in working as volunteer aides.

An extremely valuable assistance performed by citizens of the school district is that of serving on various advisory committees. Most of the advisory committees were begun during the last school year and are continuing to function and perform their services in 1973-74.

Editorial

The fire hydrant issue

RECENTLY the city council, by a divided vote, refused to move a fire hydrant from the front lawn of a residence to the parkway around the corner.

Although there were a number of basic reasons cited, the main reason for the rejection of the move was the excessive cost, $2,650.

The fire hydrant had been installed when the subdivision was laid out which, of course, was long before the residence was occupied.

Now, while we are in total sympathy with the resident in respect to the location of the fire hydrant in his front lawn, it also must be recognized that the hydrant was placed there as part of the overall subdivision development plan.

We are well aware that a fire hydrant is unattractive and most certainly does not add anything to one's front yard.

Perhaps it was poor planning on the part of all concerned that placed the fireplug in what turned out to be the front lawn of a residence and only six inches from the driveway.

We also realize that, unfortunately there is no sidewalk on the side of the street where the fireplug is located and, obviously, no parkway.

But the fire hydrant was approved for its present location in 1971 and had to be there when the property owner moved in. The resident filed his objections with the city council in July, 1973.

Because the city council will not spend $2,650 to move the fireplug around the corner, the resident has indicated that he plans to sue the city. The council suggested that the plug should be moved 10-feet away from the driveway (cost $800) but the resident submitted that such a relocation should be deferred until the legal action is taken.

Although we are not an expert on such matters, it is entirely possible that the location of the fire hydrant was "poor planning."

But we do not feel that "poor planning" in this case is enough of a reason for the city to shell out $2,650 of the taxpayers money to remove an unsightly utility "emblem" from someone's front yard.

It has been our observation that in any community there are many of these unsightly utility "emblems" and we have to learn to live with them.

But we still sympathize, when the people who have to "live with 'em" want them removed.

Published every Wednesday at Campbell, Santa Clara County, California by Suburban Newspaper Publications, Inc. Decree Number 84984. Dated June 27, 1952. Entered as Second Class Matter September 30, 1904 at Campbell, California, under Act of Congress March 3, 1879.

Are they necessary or should they be abolished?

The grand jury —who needs it?

> **'Grand jurors are more apt to be members of the local country club than they are of the local union'**

By SUSAN COHEN

"**THERE IS NO** question that secret hearings are abhorrent in today's society, but there is a need for them."

That is District Attorney Louis Bergna's opinion of an institution that is as controversial to those involved with it as it is mysterious and distant to the average citizen — the grand jury.

The Santa Clara county grand jury is charged by state law with the two-fold task of indicting criminal defendants and acting as a watchdog over the workings of county government.

FIRST IN A SERIES

It shares with its relatives throughout the state and across the country both an honorable heritage and an uncertain future.

The heritage stems back almost 800 years to a group of 12 English knights selected by King Henry II to uncover local offenders and bring them to trial. Over the centuries, grand juries turned the tables on the king, taking the side of local citizens against dungeon-happy authorities. The grand jury donned the cloak of secrecy to protect both the falsely accused and the grand jurors.

BUT ENGLAND abolished its grand jury system in 1933 after years of disuse.

And, in this country, the grand jury has come under increasing attack from critics who claim it is an anachronism that must be reformed or a threat to civil liberties that should be abolished. Several states have done just that.

This year, more than 15 bills were introduced in the California legislature to change some aspect of the grand jury.

Santa Clara county faces the same questions that have been the focus of lawsuits, legislation and debate throughout the state: questions revolving around the selection, secrecy and self-reliance of the county grand jury.

WHO SITS ON THE SANTA CLARA COUNTY GRAND JURY

Grand juries in Santa Clara county are made up of 19 members chosen from a list of 30 names by the superior court judges as mandated by state law. The law leaves up to the county how that list is to be drawn up. In this county, the judges make both the nominations and selections.

> ***'There is no question that secret hearings are abhorrent to today's society, but there is a need for them'***

"It's not democratic," Bergna admits. In testimony before a state legislative committee in 1968 he stated that, "Grand jurors, I think, are more apt to be members of the local country club than they are of the local union."

But, he adds, "what's democratic about the way judges are chosen?"

The representation on California grand juries has been vigorously challenged in recent years in cases involving Huey Newton, Angela Davis and Sirhan Sirhan.

Today, as in the past, the typical Santa Clara county grand juror is white, male, middle-aged or older, in a high income bracket and directly linked by profession and associations with the sources of economic or political power.

THE 1973 GRAND jury holds no blacks, no Asians, three Chicanos and one woman (she is the secretary of the grand jury and lists her profession as housewife). There is one grand juror younger than middle age. Seven of the 19 list their profession as either retired or semi-retired. These include a former county supervisor, an ex-policeman, a former court clerk, and an ex-vice president of Wells Fargo bank. Three union officials are on the grand jury, two educators, two general contractors, one bank manager, and one real estate investor.

In the last five years, there have been a total of nine Chicanos, four Asians, eight blacks, and 11 women out of 95 grand jurors.

IN 1972, A GROUP of about 30 women challenged the selection as being unfair according to sex and age. Their statistics showed that from 1968-72 94 men and only 15 women were nominated to sit on the panel.

The final grand jury report that year replied by setting out the selection procedure: The 24 judges of the superior court are allowed one nomination, the six senior judges are allowed two. From these 30 names, the jury commissioner must make sure that there are six from each supervisorial district, as set out in state law. The commissioner also sends out questionnaires to ascertain if the nominee has the time to serve, is a citizen, has been a county resident for one year, and has no criminal record. Nineteen names are then drawn randomly.

The report goes on to say that an effort is made to "check out the list for balance."

THERE ARE SOME discrepancies among the judges as to just how this balance is sought. This year's presiding judge, Homer Thompson, who says he has been "quite satisfied with the representative character of the grand jury" in recent years, says that the judges "sit down and screen the list" and "check the representation as to sex, as to age, as to socio-economic and ethnic backgrounds."

But Judge George Barnett says that "judges normally do not consult each other" and that while the list is circulated after 24 names are on it, "it is rare that we knock anybody off."

"Certain judges tend to lean towards people they know," Barnett says.

Barnett points out an important problem: most judges don't know many average working or minority people.

Larry Mundy, the youngest member of this year's grand jury at age 30, says he's the "only guy on the grand jury that didn't know a judge" (he knew a former county supervisor).

MUNDY, WHO IS otherwise pleased with the way the institution functions, describes his experience on it as "seeing how the other half lives."

Several agruments are made for the lack of working people, minorities and women on the grand jury, including: the time involved (estimates vary from 30 to 40 hours a month), the lack of renumeration ($10 a day, plus mileage one way, paid at the end of the year) and the fact that the meetings are held at night (a particular problem for women, Judge Thompson says, although he cannot remember a woman refusing to serve for that reason).

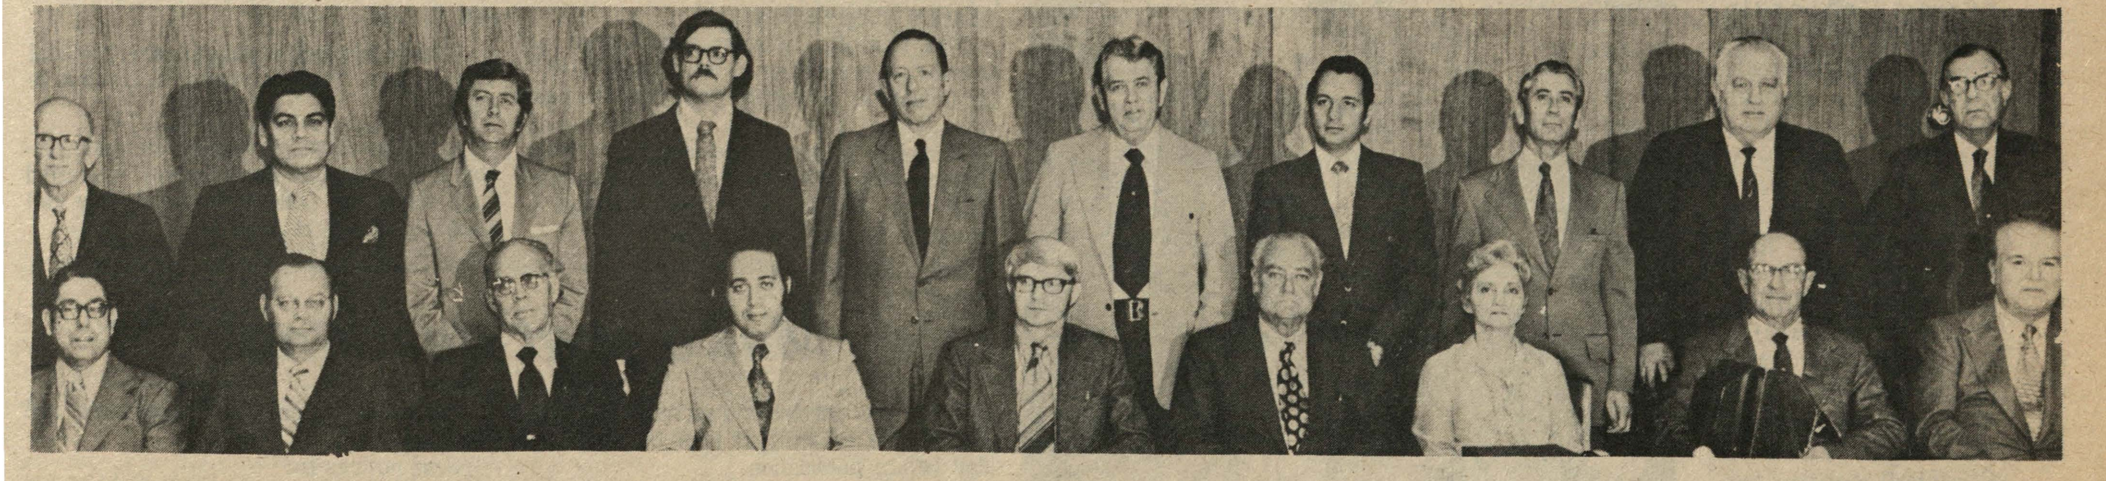
There are also arguments given that the grand jury should remain chosen as it is, a "blue ribbon committee."

"**WE NEED LEADER** types, we don't want a passive grand jury," Judge Barnett says. He is against the idea of selecting the grand jury randomly, as normal trial (or petit) juries are selected, and as federal grand juries are selected.

"It takes 12 to return an indictment, what if we drew only revolutionaries, pot smokers, who would vote against indictments," Barnett says.

Others argue that the homogeneity of the grand jury assures that some decision will be reached. They also point to the value of "expertise" in finance and administration to the grand jury function of investigating county government.

Several people, including Judge Thompson and the district attorney, see the way out of the controversy splitting the grand jury into two — one for criminal and one for county government functions — and allowing the criminal jury to be selected randomly from voter lists.



SANTA CLARA COUNTY grand jury, 1973: (standing, from left to right) J. Edward Tracy, Robert Medina, Robert Bulmore, Larry Mundy, William Koves, H. Frank Oliver, Albert Ceresa, Jack Baskin, Sam Della Maggiore; (seated from left to right) Edward Camunez, William Deal, Donald Kidder, Richard Vianisi, Walter Howes, James Montgomery, Julia Raymond, Louis Ratzesberger, John deHeras.

INITIATED into Bethel 298, International order of Job's Daughters were, from left, Monica Geddes, Hope Farij and Claudette Geddes.

Three initiated into Bethel 298

Deputy Dorothy Baswell was the special guest recently at the initiation of three girls into Bethel 298, International order of Job's Daughters in Campbell.

Installed were Monica and Claudette Geddes and Hope Farij.

That evening Terri Kelley was voted outstanding Job's Daughter.

Diane Whitney, last year's outstanding Job's Daughter, presented the trophy to Miss Kelley.

Kaleidoscope

FREE TESTING

A free diagnostic clinic will be held at the Los Gatos speech and learning center, 317 Saratoga ave., Los Gatos this Saturday, Oct. 6, from 9 a.m. to 4:30 p.m.

CITATION

Gus Rodriquez of Campbell was recently cited for his management of the Handicapped war veterans store. He has held the post for the past two years.

SYMPHONY AUXILIARY

George Cleve, conductor of the San Jose Symphony, will give a lecture at the luncheon sponsored by the San Jose Symphony women's auxiliary on Thursday, Oct. 4, at the Los Gatos home of Dr. and Mrs. Conrad Lindner, beginning at 11 a.m.

NATIVE DAUGHTERS RUMMAGE SALE

San Jose parlour 81, Native Daughters of the Golden West is holding a rummage sale today, Oct. 3, from 9 a.m. to 4 p.m. at 342 E. Campbell ave.

A regular meeting and initiation is scheduled by the group for Thursday, Oct. 4, at 8 p.m. at the bridal center reception hall in Campbell.

GARDEN CLUB

First fall meeting of the Campbell garden club will feature Mrs. Edmund Birr, club president, who will demonstrate creations using dried materials at the Campbell Congregational church, Wednesday, Oct. 10 at 10:30 a.m. The church is located at 400 W. Campbell ave.

Members are asked to bring dried materials and containers as a workshop will also be held. Guests are welcome at meetings. For more information contact Mrs. Lou Maratti, membership chairman, at 378-6374.

CHURCH RECITAL

Dedication ceremonies at the Church of the Valley, 400 N. Winchester boulevard, Santa Clara, this Sunday, Oct. 7, will feature a recital. The performance, open to the public without charge, begins at 8 p.m.

Dr. Edwin C. Dunning, professor of opera and voice at San Jose state university and minister of music at the church, will join Lynn McConahey, prominent Bay Area concert pianist, in a recital in the fellowship hall. The program will include works of Handel, Mozart, Verdi and Brahms.

HARD AT work at Eastfield children's center recently were, from left, Mrs. Stuart Rosendale and Mrs. James Adams. The two were among volunteers who helped with planting trees, shrubs and flowers donated by the Santa Clara county sheriff's department for landscaping two nearly completed buildings at the Campbell center for disturbed children.

OUR TOWN

by JoAnn Zoller

By JOANN ZOLLER

Area churches are getting the new season underway with a flourish of activities.

THE CONGREGATIONAL Church of Campbell will hold "World-Wide Communion Sunday" services Oct. 7. Following the service missionary guests, **REV.** and **MRS. HOMER RICKABOUGH** from Seoul, Korea, will be welcomed at a luncheon in the fellowship center.

Also from the Congregational church, **DORY ANTHONY**, an eight-year-old American Indian boy of the Navajo Tribe, has been adopted by the church's learning community youngsters.

The sponsorship, which is through the Save the Children federation, will help provide funds for Dory's clothing, school supplies, personal books and spending money, thus enabling him to take part in school activities. The average Indian youngster leaves school before the eighth grade, often for lack of these bare essentials.

IMMANUEL UNITED Presbyterian Church located at 3705 Payne ave., is taking youth club registration this week. The club, which is open to all fourth through eighth grade youngsters, will meet each Wednesday from 3:30 to 7:15. Featured activities are arts and crafts, recreation, music, and Bible study. Dinner is also included. For further information call 244-5298.

MORE FROM IMMANUEL

The church's high school fellowship recently attended the showing of the film "Jesus Christ Superstar." While most enjoyed the film some felt it was too depressing.

DR. ALAN GOOZEE, minister of visitation and family counseling for the First United Methodist church of Campbell, traveled to Modesto Saturday to perform the wedding ceremony uniting **JANET McCALL** and **CONRAD BUCHANAN**. Dr. Goozee officiated some 26 years ago at the wedding of Miss McCall's parents, **MR.** and **MRS. ROBERT McCALL**, former residents of Campbell.

News of other previous Campbell residents include a recent announcement by **MR.** and **MRS. CHET CLEVER**, now of Humboldt county, of the engagement of their daughter **JUDY** to **ROB ROY MAC GREGOR**, the son of **MR.** and **MRS. GREOGRY MAC GREGOR** of Lake county. The MacGregors also made their home in Campbell before moving to Lake county.

Judy is a Campbell high school graduate and Rob was graduated from Del Mar high school. An Oct. 21 wedding is being planned in Middletown. The newlyweds will make their home in Cobb Mountain.

JOSEPH M. GOLDEN, JR., former captain and member of the Campbell police reserves for 10 years, has been promoted to manager of the Christiansted and Fredericksted branches of the Bank of America in the Virgin Islands.

Golden has been with the bank for 15 years and has been assistant manager of the Christiansted branch for the past year. He resides in Christiansted with his wife **IONE** and their four children.

TRAVELS

EVERETT and **FRAN GRELL** returned last week from an eight-day vacation to England and Scotland. Traveling with the Grells were Fran's sister **LOIS ABATE** and her husband **ANTHONY**.

Most enjoyed by the travelers was the city of Edinburg, Scotland, where they visited the Edinburg castle, which is perched high on a mountain overlooking that picturesque city, and the Gleneagles golf course, a favorite of Bob Hope and Bing Crosby. They also visited the highlands of Scotland where they saw herds of the curly-horned mountain sheep.

Mrs. Larson honored by Bethel 174

Mrs. Onnolee Larson was honored recently by Bethel 174, International Order of Job's Daughters, at a reception given in the Orchard City Grange hall.

Theme for the reception was, "The Magic of Love," and Honored Queen, Cathy Gipson presided with the assistance of Dee Miller, mistress of ceremonies.

The Campbell woman has served as Grand first messenger of the Grand Guardian Council of California, IOJD, for the past year.

Honored guests at the reception were Evelyn Simon, grand guardian of the state of California, IOJD, and Robert Lundquist, associate guardian of the IOJD.

Male volunteer program succeeds

The new male volunteer program at Community hospital Los Gatos-Saratoga has been a success, according to the Rev. Joseph Green, hospital chaplain and program supervisor.

Activated last March, the program is open to volunteers between the ages of 15 and 21.

Volunteers work in patient care, physical therapy and the pharmacy, according to Green.

A few openings remain in the male section of the volunteer organization. Interested high school or college students may call Chaplain Green at 354-8069.

Make that deadline

Deadlines for club and society news must be received no later than noon on the Thursday before publication.

Special stories and news of upcoming events must reach the office by Wednesday, a week prior to publication.

All notices should be typewritten and double-spaced.

Send notices to:

The Campbell Press, P.O. Box 158, Campbell, CA. 95008 or drop by the office at 35 Dillon ave.

Supervisors oppose tax initiative — 'shifts burden to working people'

The board of supervisors voted last week to go on record as opposing Proposition 1, the governor's tax initiative on the November ballot.

"It's an effort to shift the burden to the working people," Supervisor Dan McCorquodale commented on the proposition.

Supervisor Vic Calvo added, "I don't think putting this kind of document in the state constitution is the way to put a ceiling on spending."

The proposition would amend the state constitution to put a ceiling on state taxes and expenditures.

Army reserves monitor walk

Some 35 army reservists will help monitor the 1973 Santa Clara county walk-a-thon scheduled for Sunday, Oct. 14. The men of reserve unit 6219 will assist in controlling busy intersections along the route, chairwoman Suzie Campbell said.

The 20-mile hike will benefit participants in the Special Olympics and the Life experience foundation for the mentally and physically handicapped. Headquarters are located at 1550 Meridian ave., San Jose and more information is available at 264-WALK.

Fabric selection and civil service classes offered

Fabric selection and civil service job preparation are just two of the many courses presented by the Metropolitan Adult Education Program in the Campbell area.

The Tuesday evening, 7 to 10 p.m. fabric selection and care course at Country Lane school, 5140 Country lane, is new to the MAEP schedule.

Instructor Judy Grover has been a consultant at a fabric company several years. Besides selection, she will also demonstrate how to sew different fabrics. Other evenings will be devoted to pile fabrics, fake furs and knits with some practical application. The course is intended for those who have some sewing skill.

Civil service and job preparation is designed to prepare a student to enter the job market. Included will be instruction in filling out applications and preparing resumes. Techniques in job hunting and interviewing will be taught, as well as "how to keep that job." This course is held on Friday afternoons, 12:30 to 3:30 p.m., at the Campbell administrative center, 1224 Del Mar ave., San Jose.

Information on these and other courses in the MAEP program can be obtained at the Campbell center.

LEGAL NOTICE

SUMMARY OF PROCEEDINGS

BOARD OF SUPERVISORS
COUNTY OF SANTA CLARA

Ralph H. Mehrkens, Chairman

TUESDAY, SEPTEMBER 25, 1973

Pledge of Allegiance

Roll call - all members present. Supervisor Cortese absent during items 27 thru 33 and item 35.

1. Approved minutes of meeting of September 18, 1973. Supervisor Mehrkens abstained from voting.

2. Presented Certificates of Appreciation to retiring employees.

PUBLIC WORKS

3. Approved Contract Change Orders:
   a. #72-28-2 for Social Services Parking Lot - $838.53 decrease.
      Authorized execution of Notice of Completion on above.
   b. #72-21-1 for Hood/Duct Fire Extinguishing Systems - $1,730.00 decrease.
      Authorized execution of Notice of Completion on above.

4. Adopted resolution of intention to establish an Underground Utility District on Capitol Avenue between Alum Rock Avenue and McKee Road and set hearing for October 31, 1973, at 9:30 a.m.

5. Adopted resolution authorizing execution of agreement with State to provide ramp metering for the northbound lanes of Route 280 from State Route 17 to State Route 85.

6. Authorized execution of Cost Sharing Agreement with City of Los Altos for modification of signalized intersection at Foothill Expressway and Homestead Rd. - Grant Rd.

7. Held to October 2, 1973, for report from Public Works, agreement with City of San Jose outlining intent for San Felipe Road Improvement Project and providing for sharing of preliminary engineering costs. Indicated that San Jose City College representatives should be in attendance.

S-9/25/73 - 1 -

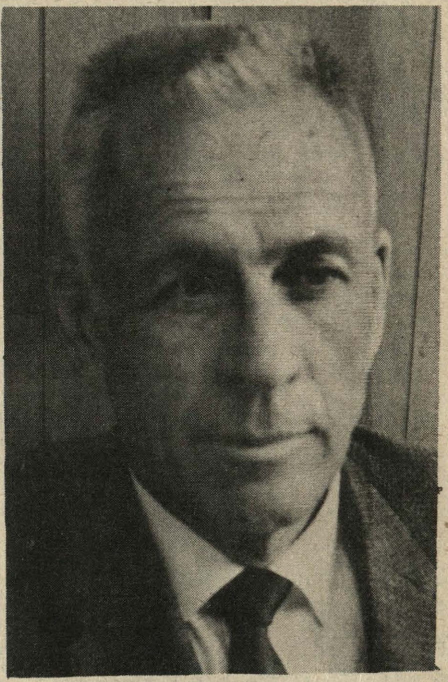
obituaries

Seniors rep Weymouth dies here Sept. 28



Ralph Weymouth, active in community affairs and city representative to the advisory board of the West Valley Progressive seniors, died Sept. 28. He was 62.

Private services were held Oct. 1 for Ralph Weymouth, 62, who died suddenly Sept. 28. He lived at 243 W. Rincon ave.

Weymouth was active in community affairs and was the city representative to the advisory board of the West Valley progressive seniors. A native of Eureka, he was a retired commander of the U.S. Navy and worked as an investment counselor for Waddell & Reed.

Dr. Corwin Olds officiated at the Masonic services held at Campbell memorial chapel.

Surviving Weymouth are his wife Eva of Campbell and three daughters — Judith Roberts of Berkeley, Patricia Kinsey of San Jose and Susan Drake of Sacramento. Also surviving are seven grandchildren.

Memorial gifts to the coronary care unit of Community hospital, Los Gatos-Saratoga or to other charitable organizations are preferred.

CLIFFORD D. LOWRY

Services were held today for Clifford Dwight Lowry, 24, who died Sept. 29 in an auto accident. He lived at 710 Nido drive.

Surviving are his parents, John Lowry of Saratoga and Mrs. M. F. Brady of Saratoga, a brother, Walt Lowry of Mt. Vernon, Washington; two sisters, Lynn Ruth Lowry of Campbell and Judith Ann Brady of Saratoga; and grandparents Mrs. Ruth Gurnette of Moss Beach, George Perry of Oakland and Adam Lowry of Hillsborough.

Darling-Fischer Campbell Memorial chapel handled local arrangements. Burial was in Los Gatos memorial park.

HEIDI DAWN LARSON

Funeral services were held last Friday for Heidi Dawn Larson, 5, who died Sept. 26, following a fall in her Campbell home.

She was the foster daughter of Mr. and Mrs. Lyle Larson, 620 Craig drive.

Darling-Fischer Campbell memorial chapel handled local arrangements.

KHALIA GEORGE BATEH

Services were held last Saturday for Khalia George Bateh, 46, who died Sept. 26, in a peninsula hospital after an illness.

He was the owner of Castro Liquors of Campbell and former owner of the Town Pride market here. He resided in Cupertino.

Surviving are his wife, Betty, four sons, George, Albert, Charles and Raymond, all of Cupertino, brothers, Ifsa Bateh of Santa Clara and Ribby Bateh of Hayward; and sisters, Mary Ajlouny of Santa Clara and Adla Zayad of Detroit, Mich.

ROY D. SINDEL

The Rev. Vernon L. Wilcox officiated at the funeral services Monday for Roy D. Sindel who died in San Jose Sept. 29.

A native of San Juan Baptista, he was 67.

Surviving are his wife, Ruth Sindel of Campbell, a son, Donald Sindel of Santa Clara; a daughter Frances Siggins of San Jose; two brothers, Glen Sindel of Forest Hill and Jean Sindel of Fort Bragg, and six grandchildren.

Interment was in Oak Hill Memorial park.

ELLEN T. REUTERN

Funeral services were held Monday for Ellen T. Reutern of Campbell who died in San Jose Sept. 28.

A native of Smoland, Sweden, she was 86.

She was the wife of the late Axel Reutern. Surviving are two sons, Axel Reutern of San Carlos and Eric Reutern of Marietta, Ohio; and three grandchildren.

Darling-Fischer Campbell memorial chapel handled local arrangements.

VINCENT LOVOI

Funeral services were held Monday for Vincent Lovio who died Sept. 27, after an illness.

Lovio, a rancher in the area for over 60 years, lived at 1119 Arroyo Seco drive.

A native of Italy, he was 87.

Surviving is his wife, Catherine Lovoi of Campbell, two sons, Anthony Lovoi of Menlo Park and Frank Lovoi of Los Altos; a daughter, Ann Parbury of San Jose; a brother, Tony Lovoi of San Jose; four grandchildren and two great-grandchildren.

It survived the quake but not the developers

PHOTOGRAPHY BY PHIL NELSON
TEXT BY PAT SAFFORD

When the rumbling and shaking of the 1906 earthquake began, the Payne brothers, Perley and George, were asleep in the upstairs, front bedroom. Afraid the building would collapse, they made their escape out the window and hung from the rafters, with falling bricks from the chimney crashing past them as they dropped to the ground.

Last week wrecking crews finished their work and in the rubble lies the remains of an old home which has housed five generations—the Payne home.

The 11-room wood-and-brick house was originally built around 1850 and was purchased by James Fredrick Payne in 1874. In this home at 3750 Payne ave., the Paynes raised six children and farmed the 100 adjoining acres.

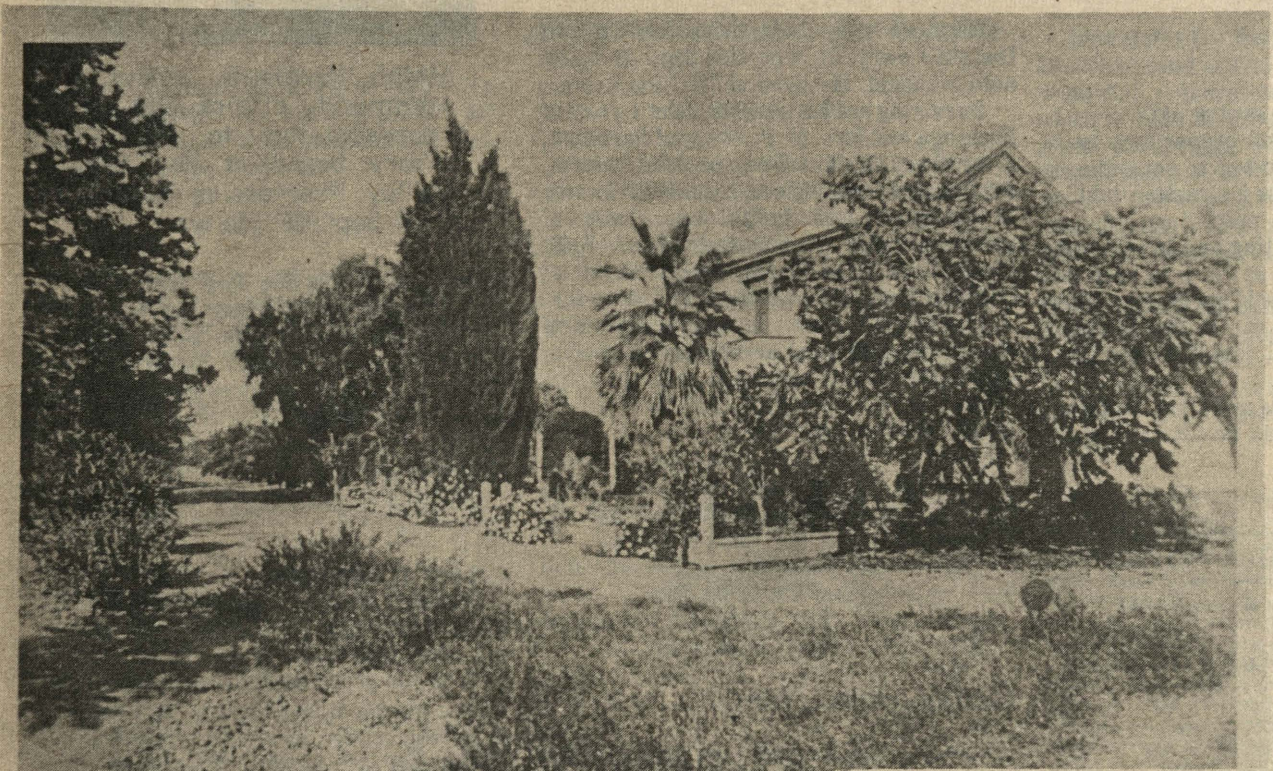
Up until recent years the home was occupied by Howard and Louise Payne, "the twins." Howard died in 1969 and Louise earlier this year.

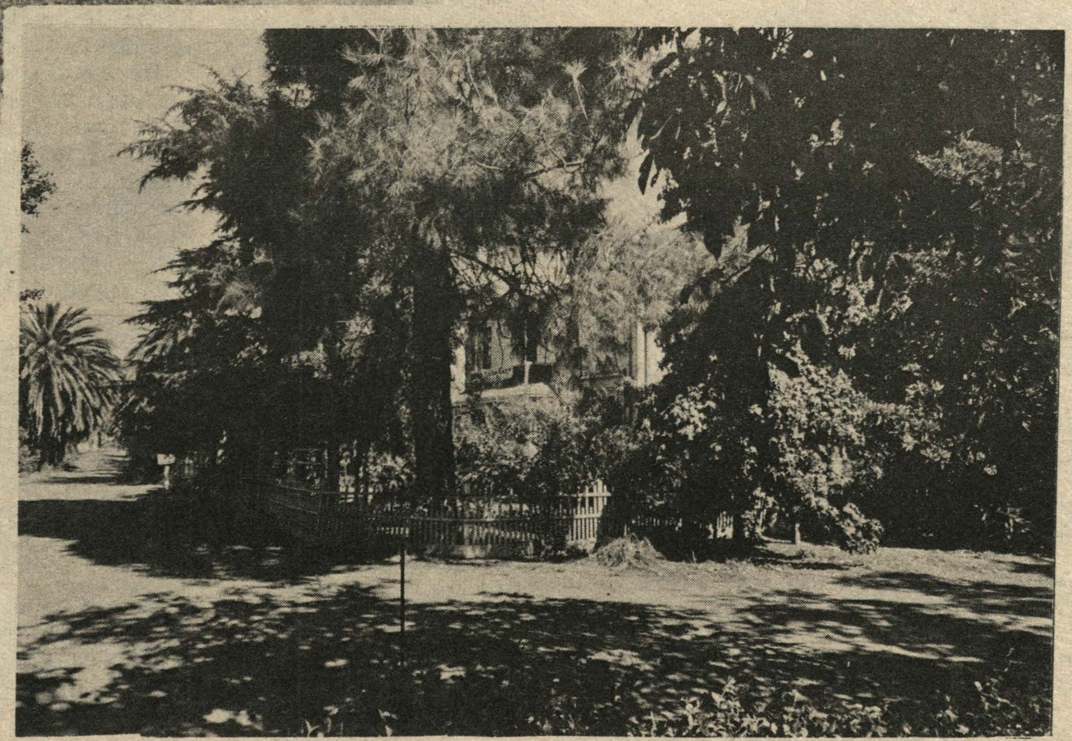
Of the six Payne children only one, Perley, married. Another, Fredrick, died in childhood, and the others remained single.

A few days before the wrecking crews were due to arrive Perley Payne, son of the Perley who jumped out the front window, talked about the old Payne home.

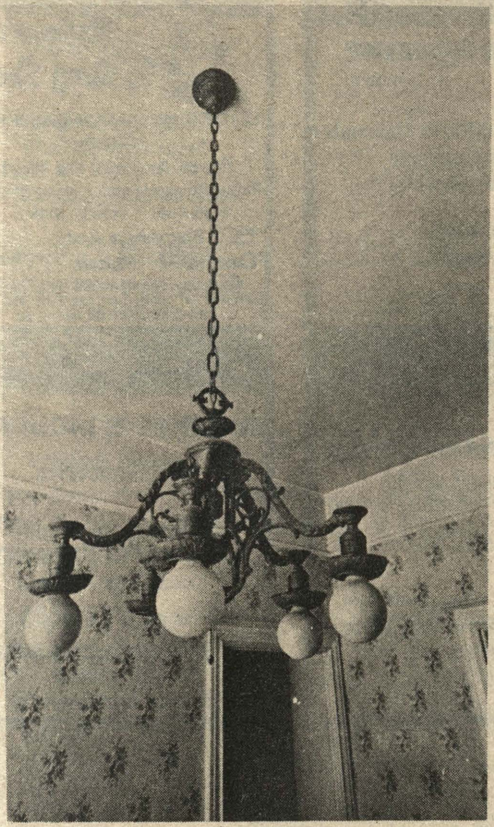
The large palm trees were originally planted by Grandpa Payne in the 1890's, Perley said, and one of the favorite family stories centers around them.

Shortly after they were planted, Payne said, his grandfather took his daily walk





Turn-of-the-century photo (above) whos the old Payne home. In the background are the small young palm trees that line the front drive. (right) A recent photo shows the tall palms and the home obscured by trees and shrubs.



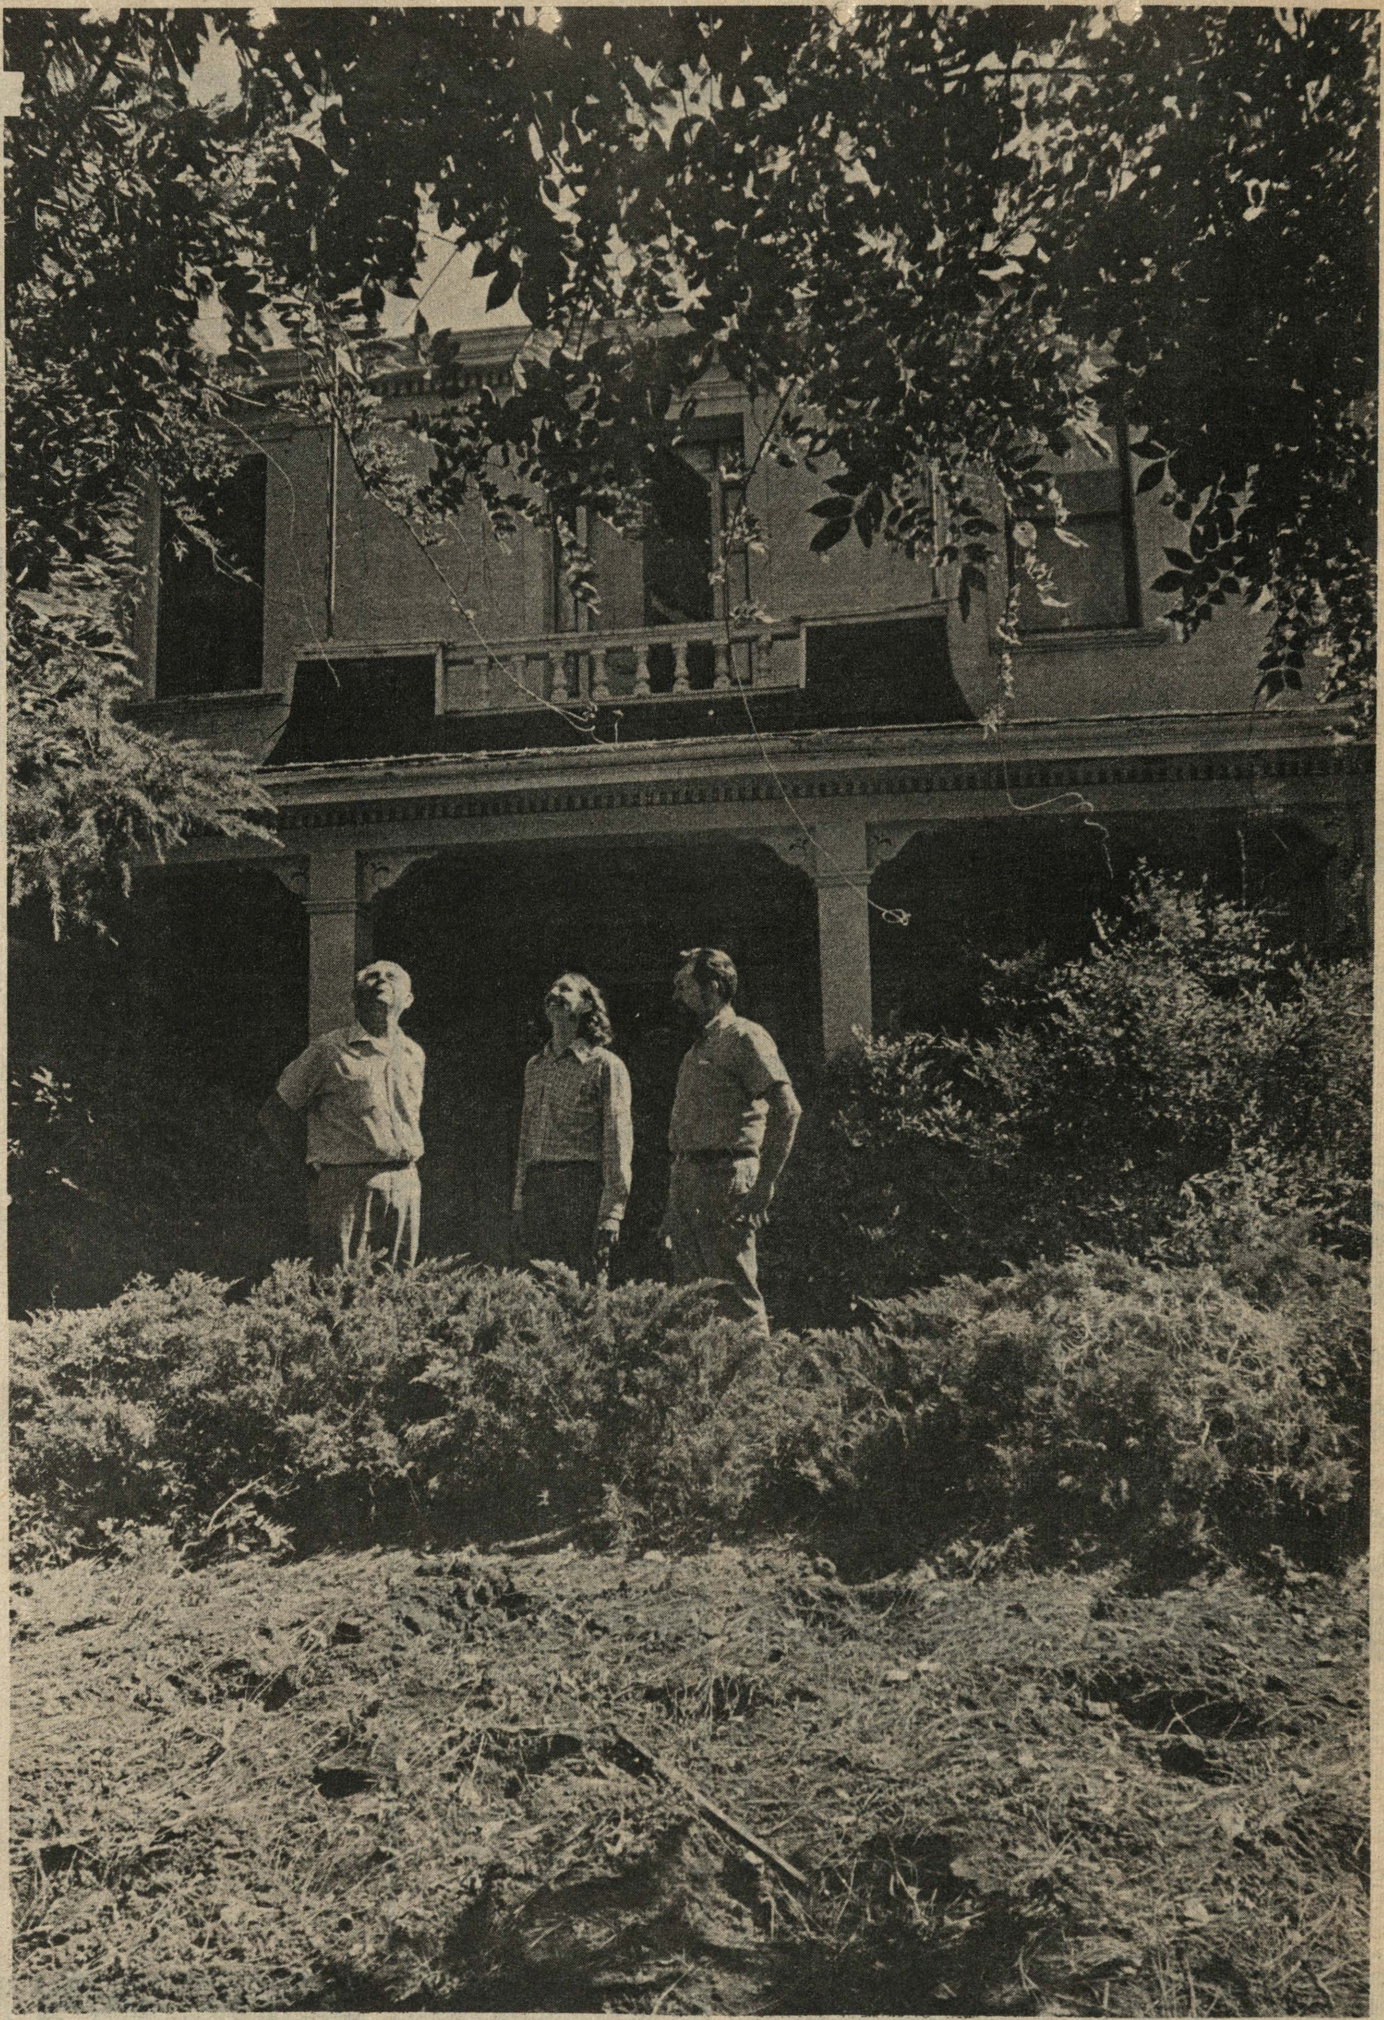
This antique fixture hung in one of the upstairs bedrooms of the Payne home.

down the drive to get the mail. Noticing one of the new trees askew, he went to investigate. Apparently a thief had been at work trying to pull out the young tree, Payne said, because Grandpa Payne returned to report there was a pair of boots anchored in the mud near the tree.

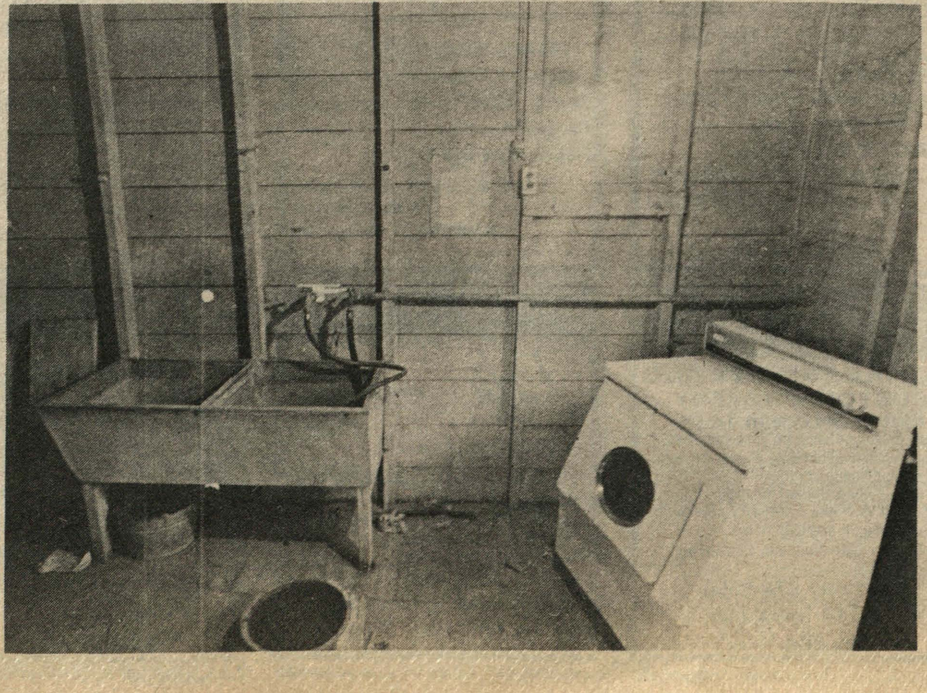
The thief had apparently pulled so hard he managed to pull himself into the wet ground and escaped without his boots.

After the 1906 earthquake, according to Payne, the old home was braced, both inside and out, against another earthquake. Although the large wooden rods and metal clamps have been painted over, they were still apparent around the outside of the home and in several of the upstairs rooms last week.

Today all that remains of the Payne heritage are the stately palms and one of the largest streets in Campbell, named after Grandpa—Payne avenue.



Family home of the Paynes was demolished last week to make way for a new development. Pictured above, from left, are Perley Payne, Steven Payne and his father, Howard Payne, at the old home before the wrecking crews arrived.



Old and new are shown in the laundry shed behind the old Payne home. An old washtub is in the background with a new clothes dryer in front.

LEGAL NOTICE

ORDINANCE NO. 916

BEING AN ORDINANCE OF THE CITY OF CAMPBELL ESTABLISHING AN INTERIM ZONING DISTRICT FOR THAT PORTION OF THE CITY HEREIN DESCRIBED IN EXHIBIT "A," ATTACHED HERETO AND MADE A PART HEREOF, AND PROVIDING INTERIM REGULATIONS FOR THE USE OF LAND, CONSTRUCTION, REMODELING AND ALTERATION OF BUILDINGS THEREIN.

WHEREAS, the City of Campbell intends to conduct land use studies for specific areas of the City of Campbell in the Downtown Area; and

WHEREAS, the City Council of said City has directed the Planning Commission to make recommendations for that portion of the Area described in Exhibit "A," attached hereto and made a part hereof;

WHEREAS, Section 65858 of the Government Code of the State of California provides for the adoption of an Interim Ordinance prohibiting any uses which may be in conflict with a contemplated zoning proposal.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF CAMPBELL DOES ORDAIN AS FOLLOWS:

SECTION 1. That the area described and shown in Exhibit "A," attached hereto and made a part hereto, is hereby established as an Interim Zoning District.

SECTION 2. That the following temporary interim zoning regulations with respect to the uses of these properties shall be as follows:

(a) No use of any land, building or other structure shall hereafter be established or conducted, and no present use of land, building or other structure shall hereafter be extended or enlarged and no building or structure shall hereafter be erected, constructed, moved, converted, remodeled or altered unless and until a permit therefor shall first have been obtained from the City Council of the City of Campbell pursuant to the procedures specified in Section 21.64, Title 21 of the Campbell Municipal Code.

1. Except that uses may be changed from one use to another use of no greater intensity than the existing use with City Council approval.

(b) Applications for such permit shall be filed with the Planning Department of the City of Campbell on forms provided by said department twenty-one (21) days prior to the regular meeting date, at which time a public hearing will be held.

(c) The Planning Commission shall consider all applications for use permit for the use of land, erection of buildings or structures or alteration or enlargement of existing structures, or any other use or activity within the area described in Exhibit "A," and determine whether or not such proposed use complies with the proposed development of the area.

(d) The Planning Commission shall report its findings and recommendations to the City Council, at which time the City Council shall set a public hearing on said use permit as specified in Section 21.64, Title 21 of the Campbell Municipal Code.

SECTION 3. That this ordinance shall be effective for a period of one hundred and twenty (120) days from the date of adoption and may be extended for a period of eight (8) months, and subsequently extend such interim ordinance for one (1) year, as provided in Section 65858 of the Government Code of the State of California.

SECTION 4. That this ordinance is hereby declared to be an Urgency Ordinance and shall be in full force and effect immediately upon its adoption. The facts constituting such urgency are as follows:

The City Council finds and determines that unless land uses are controlled by means of this ordinance, applications for uses which are inconsistent with such studies and findings as may be required by the City Council in considering land uses for the area will result, and that this ordinance is necessary to preserve the health, safety, peace and welfare of the citizens of the City of Campbell.

SECTION 5. If any section, subsection, sentence, clause or phrase of this ordinance is, for any reason, held by a court of competent jurisdiction, to be unconstitutional, such decision shall not affect the validity of the remaining portions of this ordinance.

SECTION 6. This ordinance shall be published one (1) time in the Campbell Press, a newspaper published and circulated in the City of Campbell.

PASSED AND ADOPTED this 24th day of September, 1973, by the following roll call vote:

AYES: Councilmen: Hammer, Paul, Podgorsek, Chamberlin
NOES: Councilmen: Doetsch
ABSENT: Councilmen: None
APPROVED:
Dean R. Chamberlin,
Mayor
ATTEST:
Dorothy Trevethan,
City Clerk

LEGAL NOTICE

NOTICE TO BIDDERS

Notice is hereby given that the Board of Trustees of the Campbell Union High School District of Santa Clara County, California, hereby invites and will receive sealed proposals on the following ACCOUNTING BID No. 193.

I. PART A — Financial Reporting

II. PART B — Educational Scheduling, Attendance, Grade Accounting and Related Data Processing Services

III. DESIGNATED FORMS

For the Campbell Union High School District, according to specifications on file at the Campbell Union High School District Office, 3235 Union Avenue, San Jose, California 95124. Contact Mr. Dave Barton.

Written bids must be submitted not later than 2:00 p.m. on October 10, 1973 at the Campbell Union High School District Office, 3235 Union Avenue, San Jose, California 95124.

Bids submitted by mail should be addressed to the Board of Trustees, Campbell Union High School District, 3235 Union Avenue, San Jose, California 95124.

Bids will be opened at 2:00 p.m. on October 10, 1973.

Contract may be awarded at any time within 30 days from bid opening.

Bids must be prepared in full accordance with the herein contained specifications and instructions.

Bidders are responsible to conform their bids to all of the presently constituted procedures of the District.

Reporting formats are attached to these specifications as samples to acquaint the bidder with the District reports as now constituted.

The bidder awarded the bid will be responsible for all pick-up and delivery of materials. The delivery and pick-up points will be the District Administration Office and each individual school. Delivery and pick-up dates and schedules will be mutually decided upon between the District and the Vendor awarded the bid.

Bidders should conform their bids not to exceed the District cost projections for Part A and Part B contained in the specifications.

Bidders are asked to bid on both parts of the bid as well as a combination bid and separately on forms.

The Board of Trustees of the Campbell Union High School District reserves the right to award the bid either by each part or as a combination to the most qualified vendor.

The Board of Trustees reserves the right to reject any and all bids. The Board of Trustees also reserves the right, at its discretion, to waive any informality in any bid received.

By order of the Board of Trustees of the Campbell Union High School District to be published:

September 26, 1973
October 3, 1973
William L. Murphy,
Clerk of the Board
Campbell Union High
School District
Pub.: Sept. 26, Oct. 3, 1973 74-CP

LEGAL NOTICE

NOTICE TO BIDDERS

NOTICE IS HEREBY GIVEN that individually sealed proposals will be received by the Finance Director of the City of Campbell as specified below at which time and place such proposals will be publicly opened and declared for purchase.

BID NO. 73-8 Item: One (1) New Three Unit Lawn Mower.

BID NO. 73-9 Item: One (1) New Four Wheel Street Sweeper.

BID NO. 73-10 Item: One (1) New 1974 5/yd Dump Truck.

DATE OF BID OPENING: Friday, October 12, 1973.

TIME: 3:00 P.M.

LOCATION: South Wing Conference Room, Campbell City Hall, 75 North Central Avenue, Campbell, California.

Specifications for the above items have been approved by the City Council of the City of Campbell and are on file in the Office of the Finance Director of the City of Campbell, to which bidders are particularly referred.

All bids or proposals must be made on forms furnished by the Finance Director. All bids shall include taxes and all costs to be paid by the City and the City shall not be obligated to pay any more than the bid submitted.

All proposals or bids must be accompanied by bid bond, certified or cashier's check by some responsible bank or banker of the State of California, payable to the City of Campbell in the amount specified in the "General Requirements," of said bid specifications. The above-mentioned check shall be given as a guarantee that the bidder will enter into a contract if awarded to him and will be retained by the City of Campbell as agreed and liquidate damages should the bidder, whose bid is finally accepted, fail to deliver the item bid upon within the time for delivery as set forth in the specifications hereinabove referred to.

The City of Campbell reserves the right to reject any and all bids and to waive any informality in any bids.

By order of the City Council of the City of Campbell.

LEGAL NOTICE

ORDINANCE NO. 913

BEING AN ORDINANCE OF THE CITY OF CAMPBELL AMENDING TITLE 10, CHAPTER 10.44 OF THE CAMPBELL MUNICIPAL CODE, PROVIDING FOR THE ABATEMENT AND REMOVAL AS PUBLIC NUISANCES OF ABANDONED, WRECKED, DISMANTLED OR INOPERATIVE VEHICLES OR PARTS THEREOF FROM PRIVATE PROPERTY OR PUBLIC PROPERTY NOT INCLUDING HIGHWAYS, AND RECOVERY OF COSTS OF ADMINISTRATION THEREOF AS AUTNORIZED BY SECTION 22660 VEHICLE CODE.

The City Council of the City of Campbell does ordain as follows:

SECTION ONE: That the following sections of Title 10, Chapter 10.44 of the Campbell Municipal Code by amended as follows:

Section 10.44.010. In addition to and in accordance with the determination made and the authority granted by the State of California under Section 22660 of the Vehicle Code to remove abandoned, wrecked, dismantled or inoperative vehicles or parts thereof as public nuisances, the City Council of the City of Campbell hereby makes the following findings and declarations:

The accumulation and storage of abandoned, wrecked, dismantled, or inoperative vehicles or parts thereof on private or public property not including highways is hereby found to create a condition tending to reduce the value of private property, to promote blight and deterioration, to invite plundering, to create fire hazards, to constitute an attractive nuisance creating a hazard to the health and safety of minors, to create a harborage for rodents and insects and to be injurious to the health, safety and general welfare. Therefore, the presence of an abandoned, wrecked, dismantled or inoperative vehicle or parts thereof, on private or public property not including highways, except as expressly hereinafter permitted, is hereby declared to constitute a public nuisance which may be abated as such in accordance with the provisions of this ordinance.

As used in this ordinance:

(a) The term "vehicle" means a device by which any person or property may be propelled, moved, or drawn upon a highway, except a device moved by human power or used exclusively upon stationary rails or tracks.

(b) The term "highway" means a way or place of whatever nature, publicly maintained and open to the use of the public for purposes of vehicular travel. Highway includes street.

(c) The term "public property" does not include "highway."

(d) The term "owner of the land" means the owner of the land on which the vehicle, or parts thereof, is located, as shown on the last equalized assessment roll.

(e) The term "owner of the vehicle" means the last registered owner and legal owner of record.

Section 10.44.020. This ordinance shall not apply to:

(a) A vehicle or parts thereof, which is completely enclosed within a building in a lawful manner where it is not visible from the street or other public or private property; or

(b) A vehicle, or parts thereof, which is stored or parked in a lawful manner on private property in connection with the business of a licensed dismantler, licensed vehicle dealer, a junk dealer, or when such storage or parking is necessary to the operation of a lawfully conducted business or commercial enterprise.

Nothing in this section shall authorize the maintenance of a public or private nuisance as defined under provisions of law other than Chapter 10 (commencing with Section 22650) of Division 11 of the Vehicle Code of this ordinance.

Section 10.44.030. This ordinance is not the exclusive regulation of abandoned, wrecked, dismantled or inoperative vehicles within the City of Campbell. It shall supplement and be in addition to the other regulatory codes, statutes, and ordinances heretofore and hereafter enacted by the City of Campbell, the State, or any other legal entity or agency having jurisdiction.

Section 10.44.040. Except as otherwise provided herein, the provisions of this ordinance shall be administered and enforced by the Chief of Police. In the enforcement of this ordinance such officer and his deputies may enter upon private or public property to examine a vehicle or parts thereof, or obtain information as to the identity of a vehicular (and to remove or cause the removal of a vehicle or parts thereof) declared to be a nuisance pursuant to this ordinance.

Section 10.44.050. When the City Council has contracted with or granted a franchise to any person or persons, such person or persons shall be authorized to enter upon private property or public property to remove or cause the removal of a vehicle or parts thereof declared to be a nuisance pursuant to this ordinance.

Section 10.44.060. The City Council shall from time to time determine and fix an amount to be assessed as administrative costs (excluding the actual cost of removal of any vehicle or parts thereof) under this ordinance.

Section 10.44.070. Upon discovering the existence of an abandoned, wrecked, dismantled, or inoperative vehicle, or parts thereof, on private property or public property within the City of Campbell, the Chief of Police shall have the authority to cause the abatement and removal thereof in accordance with the procedure prescribed herein.

Section 10.44.080. A 10-day notice of intention to abate and remove the vehicle, or parts thereof, as a public nuisance shall be mailed by certified mail to the owner of the land and to the owner of the vehicle, unless the vehicle is in such condition that identification numbers are not available to determine ownership. The notices of intention shall be in substantially the following forms:

NOTICE OF INTENTION TO ABATE AND REMOVE AN ABANDONED, WRECKED, DISMANTLED, OR INOPERATIVE VEHICLE OR PARTS THEREOF AS A PUBLIC NUISANCE

(Name and Address of owner of the land)

As owner shown on the last equalized assessment roll of the land located at ______(address)______ you are hereby notified that the undersigned pursuant to Section 10.44.010 et seq of the Campbell Municipal Code has determined that there exists upon said land an (or parts of an) abandoned, wrecked, dismantled or inoperative vehicle registered to ______________, license number__________, which constitutes a public nuisance pursuant to the provisions of Chapter 10.44 of the Campbell Municipal Code.

You are hereby notified to abate said nuisance by the removal of said vehicle (or said parts of a vehicle) within 10 days from the date of mailing of this notice, and upon your failure to do so the same will be abated and removed by the City of Campbell and the costs thereof, together with administrative costs, assessed to you as owner of the land on which said vehicle (or said parts of a vehicle) is located.

As owner of the land on which said vehicle (or said parts of a vehicle) is located, you are hereby notified that you may, within 10 days after the mailing of this notice of intention, request a public hearing and if such a request is not received by City Council or Chief of Police with such 10-day period, the Chief of Police shall have the authority to abate and remove said vehicle (or said parts of a vehicle) as a public nuisance and assess the cost as aforesaid without a public hearing. You may submit a sworn written statement within such 10-day period denying responsibility for the presence of said vehicle (or said parts of a vehicle) on said land, with your reasons for denial, and such statement shall be construed as a request for hearing at which your presence is not required. You may appear in person at any hearing requested by you or the owner of the vehicle or, in lieu thereof, may present a sworn written statement as aforesaid in time for consideration at such hearing.

Notice Mailed ______________ s/______________
(date (locally designated officer)

NOTICE OF INTENTION TO ABATE AND REMOVE AN ABANDONED, WRECKED, DISMANTLED OR INOPERATIVE VEHICLE OR PARTS THEREOF AS A PUBLIC NUISANCE

(Name and address of last registered and/or legal owner of record of vehicle — notice should be given to both if different)

As last registered (and/or legal) owner of record of

____
vehicle make model, license etc.

you are hereby notified that the undersigned pursuant to Section 10.44.010 et seq of the Campbell Municipal Code has determined that said vehicle (or parts of a vehicle) exists as an abandoned, wrecked, dismantled or inoperative vehicle at (address) ______________

____

and constitutes a public nuisance pursuant to the provisions of Chapter 10.44 of the Campbell Municipal Code.

You are hereby notified to abate said nuisance by the removal of said vehicle (or said parts of a vehicle) within 10 days from the date of mailing of this notice.

As registered (and/or legal) owner of record of said vehicle (or said parts of a vehicle), you are hereby notified that you may, within 10 days after the mailing of this notice of intention, request a public hearing and if such a request is not recieved by the City Council or Chief of Police within such 10-day period, the Chief of Police shall have the authority to abate and remove said vehicle (or said parts of a vehicle) without a hearing.

Notice Mailed ______________ s/______________
(date) (locally designated officer)

Section 10.44.090. Upon request by the owner of the vehicle or owner of the land received by the Chief of Police within 10 days after the mailing of the notices of intention to abate and remove, a public hearing shall be held by the City Council on the question of abatement and removal of the vehicle or parts thereof as an abandoned, wrecked, dismantled or inoperative vehicle, and the assessment of the administrative costs and the cost of removal of the vehicle or parts thereof against the property on which it is located.

If the owner of the land submits a sworn written statement denying responsibility for the presence of the vehicle on his land within such 10-day period, said statement shall be construed as a request for a hearing which does not require his presence. Notice of the hearing shall be mailed, by certified mail, at least 10 days before the hearing to the owner of the land and to the owner of the vehicle, unless the vehicle is in such condition that identification numbers are not available to determine ownership. If such a request for hearing is not received within said 10 days after mailing of the notice of intention to abate and remove, the City of Campbell shall have the authority to abate and remove the vehicle or parts thereof as a public nuisance without holding a public hearing.

Section 10.44.100. All hearings under this ordinance shall be held before the City Council which shall hear all facts and testimony it deems pertinent. Said facts and testimony may include testimony on the condition of the said vehicle or parts thereof and the circumstances concerning its location on the said private property or public property. The City Councill shall not be limited by the technical rules of evidence. The owner of the land may appear in person at the hearing or present a sworn written statement in time for consideration at the hearing, and deny responsibility for the presence of the vehicle on the land, with his reasons for such denial.

The City Council may impose such conditions and take such other action as it deems appropriate under the circumstances to carry out the purpose of said Chapter 10.44 of the Campbell Municipal Code. It may delay the time for removal of the vehicle or parts thereof if, in its opinion, the circumstances justify it. At the conclusion of the public hearing, the City Council may find that a vehicle or parts thereof has been abandoned, wrecked, dismantled, or is inoperative on private or public property and order the same removed from the property as a public nuisance and disposed of as hereinafter provided and determine the administrative costs and the cost of removal to be charged against the owner of the land. The order requiring removal shal include a description of the vehicle or parts thereof and the correct identification number and license number of the vehicle, if available at the site.

If it is determined at the hearing that the vehicle was placed on the land without the consent of the owner of the land and that he has not subsequently acquiesced in its presence, the City Council shall not assess the costs of administration or removal of the vehicle against the property upon which the vehicle is located or otherwise attempt to collect such costs from such owner of the land.

If the owner of the land submits a sworn written statement denying responsibility for the presence of the vehicle on his land but does not appear, or if an interested party makes a written presentation to the City Council but does not appear, he shall be notified in writing of the decision.

Section 10.44.110. Any interested party may appeal the decision of the City Council by filing a written notice of appeal with the said City Council within five days after its decision.

Such appeal shall be heard by the City Council which may affirm, amend or reverse the order or take other action deemed appropriate.

The City Clerk shall give written notice of the time and place of the hearing to the appellant and those persons specified in Section 10.44.080.

In conducting the hearing the City Council shall not be limited by the technical rules of evidence.

Section 10.44.120. Five days after adoption of the order declaring the vehicle or parts thereof to be a public nuisance, five days from the date of mailing of notice of the decision if such notice is required by Section 10.44.100, or 15 days after such action of the governing body authorizing removal following appeal, the vehicle or parts thereof may be disposed of by removal to a scrapyard or automobile dismantler's yard. After a vehicle has been removed it shall not thereafter be reconstructed or made operable.

Section 10.44.130. Within five days after the date of removal of the vehicle or parts thereof, notice shall be given to the Department of Motor Vehicles identifying the vehicle or parts thereof removed. At the same time there shall be transmitted to the Department of Motor Vehicles any evidence of registration available, including registration certificates, certificates of title and license plates.

Section 10.44.140. If the administrative costs and the cost of removal which are charged against the owner of a parcel of land pursuant to Section 10.44.100 are not paid within 30 days of the date of the order, or the final disposition of an appeal therefrom such costs shall be assessed against the parcel of land pursuant Section 38773.5 of the Government Code and shall be transmitted to the tax collector for collection. Said assessment shall have the same priority as other city taxes.

PASSED AND ADOPTED this 24th day September, 1973, by the following vote:

SUMMARY
OF PROCEEDINGS
BOARD OF SUPERVISORS
COUNTY OF SANTA CLARA

Ralph H. Mehrkens, Chairman

WEDNESDAY, SEPTEMBER 26, 1973

Pledge of Allegiance

Roll call - Supervisor McCorquodale absent during items 7 through 10, and item X.

1. Approved minutes of meeting of September 19, 1973. Supervisor Mehrkens abstained.

HEARINGS

2. Closed hearing and adopted Ordinance No. NS-1200.73.31 rezoning property of H. V. Abegg (J. R. Garcia) to A1-100 Zoning District, property located on the wly/s of Clayton Road btw Mt. Hamilton Road and Mt. Pleasant Road.

3. Closed hearing and adopted Ordinance No. NS-1200.73.30 rezoning property of Evans and Ageson to OA Zoning District, property located on the nly/s of Moorpark Avenue btw Bradley Avenue and South Bascom Avenue.

4. Closed hearing and declared intention to approve cancellation of portion of Land Conservation Contract 72.015-001 and alter boundaries of the Agricultural Preserve - William O. and Margaret Burch for property located on Dunlap Road at Ferguson Road, Gilroy, subject to cancellation fee of $1,850. Referred to County Counsel to prepare Notice of Cancellation with legal description and resolution Cancelling Portion of Land Conservation Agreement.

5. Continued to October 10, 1973, hearing on application of William A. Eikenhorst (Penny Ante aka Candlelight) for cardroom permit on property located at 4805 El Camino Real, Sunnyvale. Clerk of the Board to request comments from the City of Sunnyvale.

6. Continued to October 31, 1973, hearing on application of Robert Walter Mills (Saratoga Club) for cardroom permit on property located at 10081 Saratoga Avenue, San Jose.

7. Cancelled opening of bids due to lack of proper publication. Adopted resolution of intention to sell excess Lawrence Expressway-Central Expressway property and set new bid opening date of October 31, 1973 at 10:30 a.m.

PLANNING

8. Held to October 10, 1973, resolution granting appeal of Robert Kruse and issuing permit for mobile home on property located on wly/s of Sycamore Avenue, sly of East Middle Avenue, and execution of agreement with property owner.

9. Adopted resolution granting appeal and granting exemption from provisions of Section 680-8 of the 1971 National Electrical Code to R. E. Barreras on property located at 22312 Starling Drive, Los Altos.

10. Adopted resolution granting appeal and granting exemption from provisions of Section 680-8 of the 1971 National Electrical Code to Richard Turini on property located at 14909 San Pablo Avenue, San Jose.

X. County Counsel reported status of Burbank Theater litigation.

Adjourned.

PUB: 10-3-73 91CP

ATTEST: DONALD M. RAINS, Clerk
Board of Supervisors

SUMMARY
OF PROCEEDINGS
BOARD OF SUPERVISORS
SANTA CLARA COUNTY
TRANSIT DISTRICT

Victor Calvo, Chairman

WEDNESDAY, SEPTEMBER 26, 1973

Roll call - all members present.

1. Approved minutes of meeting of September 19, 1973.

2. Accepted recommendation of Transportation Commission for provision of bus service to San Jose Municipal Airport and referred to the Assistant Executive Officer for implementation at such time as countywide service is initiated.

3. Approved communications to Congressmen requesting inclusion of Santa Clara County in the proposed feasibility study for a high speed transportation route between Canada and Mexico, as recommended by the Transportation Commission.

4. Considered communication from Melody Park Home Owners Association requesting bus route extension and foot walk addition to Coyote Creek bridge on Hellyer Road. Referred request for foot walk to the Board of Supervisors and the request for bus service to the Transportation Commission.

5. There were no oral presentations to the Board.

X. Accepted report on Transit District Marketing Program.

X. Approved amended bus specifications.

X. Approved change in bid opening date for construction of Fueling Facilities at Transit District Coach Terminal to October 11, 1973 at 2:00 p.m.

X. Authorized letter of intent to Four-Phase Systems, Inc., Cupertino, re leasing of computerized equipment for spring service.

Adjourned as Board of Supervisors of the Santa Clara County Transit District.

ATTEST: DONALD M. RAINS, Clerk
Board of Supervisors

PUB: 10-3-73 92CP

Falcons, Longhorns in key WVAL square-off

At first glance, fans who show up Friday night at Los Gatos high school's Helm field for the Leigh-Saratoga football clash might think that they have the wrong stadium!

Judging by the size of the players on the field, one might think he's made a wrong turn and ended up at a college football clash. But don't ask for a refund before checking the program. The Longhorn and Falcon lines both average above the 200 pound mark and when the two clash heads Friday, the West Valley athletic league favorite will emerge.

The two were each pre-season picks for post-season glories and the winner of the 8 p.m. battle certainly will have the inside edge on the WVAL flag.

Leigh opened their 1973 league campaign with what might seem an easy 28-6 win over Del Mar. But it wasn't easy at all for the huge Longhorns.

Del Mar, set to host Westmont Friday at 3:30 p.m., penetrated deep in Leigh territory three times in the ballgame but couldn't punch it over. Their only touchdown was a 60 yard bomb from Mickey Plesha to Ken Hightower in the fourth quarter.

Leigh took only a 7-0 lead into the lockerroom at the halftime break. Rich Peterson capped a 65 yard Leigh drive in the first period by plunging over from the one. Jeff Beeson kicked his first of four extra points after the score.

Beeson gave the Longhorns a comfortable 14-0 bulge in the third period when he topped off a 70 yard drive with a 13 yard scoring aerial to Rick Foley.

Two fourth quarter Leigh TD's really put the game out of Don reach. Tom Stout intercepted a Plesha pass and returned it to the DM 35. A few plays later Beeson tossed to Jerry Jennings for three yards and six points.

The final score for the Longhorns in the game came on a Beeson to Frank Griffith 20 yard pass. Beeson kicked his fourth PAT and Leigh held a 28-0 advantage.

Beeson went to the air 16 times in the game and completed eight for 147 yards and three TD's. He was intercepted once.

The Longhorns added 199 yards on the ground in the contest, Mike O'Brien rushing for most of it with 105 yards on 17 tries. It was O'Brien's second 100 yard game for Leigh this season.

"We felt that we had a good balanced offense in the game," said Leigh coach Pete Galloni. Setting up the Leigh offense were linemen Kit Brady, Tom Clark, Kit Lathrop and Ernie Byford.

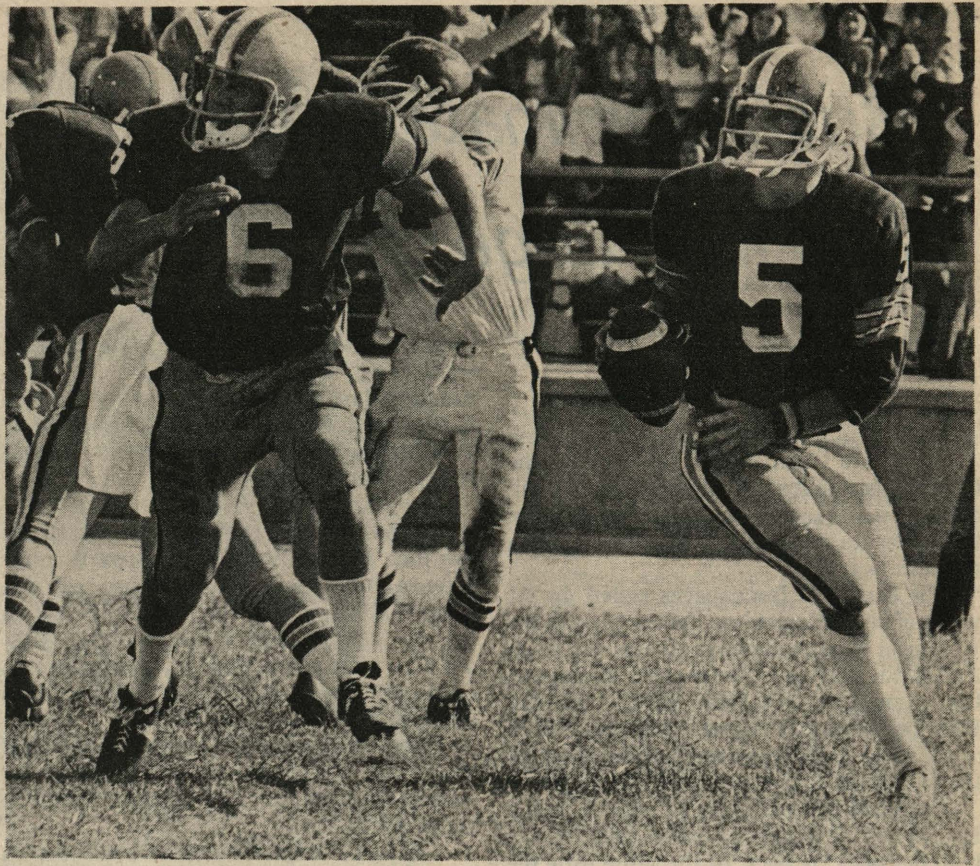
Galloni was also pleased with the effort turned in by his defensive unit. Jim Fuson was "super again" at linebacker, getting in on more than 15 tackles. Marty Maiers came up with a key interception to stop a Don drive and Ryan Wendall also picked off a Plesha pass.

But except for those two interceptions, Plesha and a fine day through the air for Del Mar. The senior southpaw completed 10 or 13 passes for almost 150 yards. Kurk Poppay rushed for most of the Don 180 ground yards to run their total offense to a stunning 298.

sports

"Leigh is just super huge," said Don coach Jim Clifton after the game, "But we made three mistakes that could have turned the game around."

In the first quarter DM drove to the Leigh 20 but a dropped pass cost them a TD. Later on in the game they drove twice to the Leigh 10, one drive halted on Maier's interception and the other when the Don's just ran out of downs.



ROLLOUT — Leigh high quarterback Jeff Beeson looks downfield as he rolls around left end following running back Rick Peterson (6). Beeson led Leigh to a 28-6 victory in their bout with Del Mar last Friday, firing three touchdown passes.

Local backs lead SCU, SJSU at home

Off to their best football start since 1955, the San Jose state university gridders will return home this week to play host to the University of Pacific Saturday, October 6, at Spartan stadium.

The Spartans and UOP will square off at 7:30 p.m. in the battle. Tickets can be purchased in advance at Ticketron outlets, San Jose box office and the cashier's office at the SJSU administration building.

After notching their first win of the young season in their third game, Santa Clara University's Broncos will also be home for play Saturday at 7:30 p.m. The Broncs will host the University of Nevada-Reno in Buck Shaw stadium.

Local running backs lead the two clubs into action Saturday. Larry Lloyd, a product of Overfelt high, had romped for 112 yards in SJSU's first three ballgames and has tallied one touchdown. Mike Gill, a graduate of Mitty high, had run for 49 yards on 11 tries in two games carrying the football.

For Santa Clara, Don Dunbar, Samuel Ayer grad, has covered 141 yards in three games, his longest run a 58 yarder against Cal-State Hayward. Mike Franz, formerly of Leigh high and West Valley college, has carried 11 times for SCU for 59 yards and 5.4 rushing average.

The Spartan's third win of the year came 24-6 over Long Beach. SJSU scored a field goal and touchdown with point after in the final five minutes of the game to turn a hard fought struggle into an apparent rout.

"After seeing the films, we feel very fortunate to have won the football game," said Spartan coach Darryl Rogers. "But our defense rose to the occasion to keep them out of our endzone."

Tops on that Spartan defensive unit were Dave Wasick, Craig Fisher and Charles Dejurnett in the line, Carl Ekern and Emanuel Armstrong at linebackers and Clay Jackson in the secondary.

"We feel very fortunate to have won our first three games," added Rogers. "They have been fine opponents and we are pleased that we were able to beat all of them. We haven't been tested in a football game this year, though, like we feel we're going to be tested in the next seven games."

Pat Malley and his crew were pleased to get their first win of 1973 under their belts.

He lauded the play of junior reserve running back Paul Livesey, who set a new Bronco one-game rushing record and just missed another with 197 yards in 10 carries.

Livesey, who had a 66-yard TD jaunt, averaged 19.7 yards per carry to erase Darryl Stowers' 1967 mark (13.0) against Whittier. Stowers holds the rushing mark at 208 yards, also against Whittier.

Malley also praised the running of junior running back Dunbar, who had 71 yards, including his 58 yard run, in seven carries, along with the defensive play of junior transfer tackles Ron Czarnecki and Pete Yorkoski and offensive senior tackle Ken Allen.

Santa Clara ran for 372 yards and passed for 115 for a total offense of 487 yards. Bob Barnes punted twice for a 46.5 average, his best this year.

SUN seers back to business

It's tough enough to pick which high school team will knock off another days before the teams take the field against each other. But to pick the winner and the correct point spread to boot, that's downright spooky.

But that's what happened last week when we went with the Pioneer Mustangs to whip Wilcox by eight and they won 14-6.

We were already plodding through a good year of picking prep winners, naming 15 of 19 winners in the Santa Teresa athlletic league and 10 of 15 in the West Valley athletic league with one Friday score not included.

However, we're not going to let success go to our heads. We'll just get back to the work at hand — without error, picking this week's prep winners!

In 3:30 p.m. games Friday in the WVAL, Westmont will whip Del Mar by 12, Prospect will edge Campbell by three, Branham will smack Blackford by six and Los Gatos will nip Camden by two. That night Leigh and Saratoga meet in the league's best of the week at Los Gatos high's field. The Falcons will win by eight.

All STAL play is Friday night. Leland will take Live Oak by eight, Lincoln will nip Gilroy by six and Pioneer will beat Willow Glen by six. Saturday is a non-league game; Sunnyvale will top San Jose by 12.

SUN takes MHAL beating

With just three scores reported at presstime, our mediocre prediction percentages took another beating last week.

Of the three Mt. Hamilton athletic league games completed before our deadline last week, we picked just one correctly, giving us a season record of 10-8 (55.6 per cent).

This week appears to be easier, however, with only one game that might be close. And that one is the Overfelt-Mt. Pleasant contest Thursday at PAL field. The Cards will win by seven.

Silver Creek visits Hill Friday and they'll triumph by 10. Lick, aiming at the MHAL crown, will handle Ayer easily by 14 points at home. Milpitas will bounce back from their heartbreaking loss to Lick and beat Yerba Buena by 13 at PAL. And Saturday Oak Grove will dump Piedmont by 14.

Sports Quiz

1. Davey Johnson of the Atlanta Braves recently set a major league record for most home runs by a second baseman in a season with 43. Who held the previous mark?
  a) Joe Gordon
  b) Rogers Hornsby
  c) Tony Lazzeri
  d) Nap Lajoie
2. Who led the NFL in scoring last year?
  a) Fred Cox
  b) Chester Marcol
  c) Garo Yepremian
  d) Roy Gerela
3. Who was the San Francisco 49'ers' first round draft choice this year?
  a) Joe Ehrmann
  b) Steve Holden
  c) Mike Holmes
  d) Barry Smith
4. Who had the highest batting average in last year's World Series?
  a) Tony Perez
  b) Johnny Bench
  c) Gene Tenace
  d) Joe Rudi
5. Which NFL player is nicknamed "Crazy Camel?"
  a) Ron Johnson
  b) Larry Brown
  c) John Brockington
  d) Jim Kiick

Answers: 1-b, 2-b, 3-c, 4-a, 5-c.

Bucs dominate stats but just edge Warriors

By DICK SPARRER
SPORTS EDITOR

When one team more than doubles the total offensive output of another in a football game, it would seem that that team would be the dominate club in the ballgame. That's not always true.

The Campbell Buccaneers rolled up 281 yards of total offense last Friday to push the Westmont Warrior defense all over the field. And all the Warrior offense could manage in the game was 113 total yards. But the Warriors were just edged in the game 25-20 and it was a fourth quarter goalline stand by the Buc front wall that saved the victory.

Campbell will put their 2-0 record on the line Friday at 3:30 p.m. when they hit the trail to meet Prospect. At the same time the Warriors will visit Del Mar, both clubs still looking for that elusive first win.

The lead jumped back and forth in the game last Friday, Westmont once holding a 20-19 advantage and keeping it through the halftime break.

The Warriors tallied all 20 of their points in the game in the first half and needed only 38 total offensive yards to do it. But a punt return for a TD and a kick-off return for paydirt helped the Westmont cause.

But the most critical points in the game came in the second half. Late in the third period Campbell took over after a Westmont punt. Tackle Jim Guardino threw a fine block to spring running back Ted Borns on a 38 yard scamper to, what most thought, was a first and goal at the 10.

But Borns actually has come up just inches shy of the 10. Gil dela Pena was stopped for no gain and Dan Guerra went eight yards to the two. On third down Jim Knight got nothing and Tom Davis got two on fourth down. But the Warrior defense, led by Tom Biggam and Gary Sanden, kept him out of the end zone.

The ball came to rest on no more than the two inch line. A proud and happy Warrior defense turned down-trodden when they discovered, though, that the Bucs, even though they failed to score, did convert the first down and had a first and goal inside the one. Davis went over on the next play for six to make it 25-20.

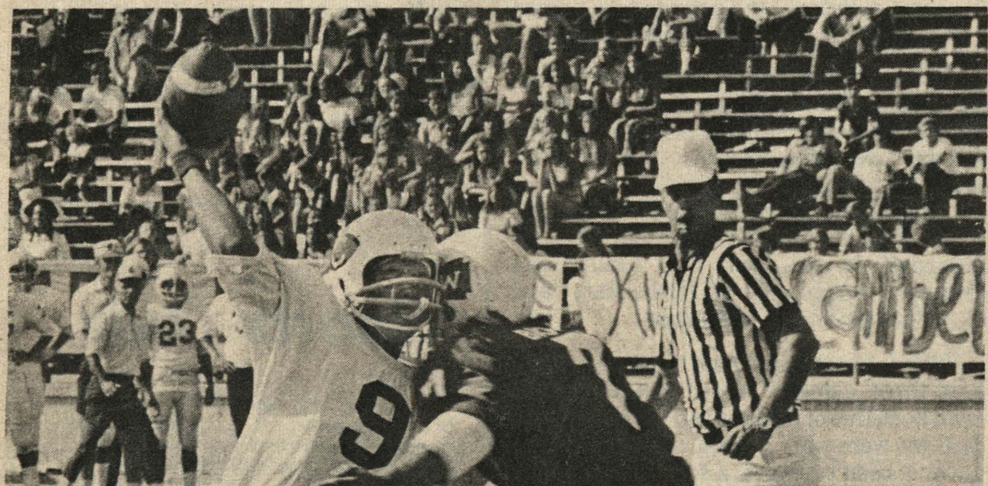
It looked like almost an instant replay a quarter later when Westmont, after trading ends of the field, were heading for the same endzone.

Jerry Porter intercepted a Knight pass on the Warrior 48 after a teammate had batted it into the air. Burt Codera burst for five yards and Tom Papa tossed to Keith Van Amburt for 20 more down to the 17.

John McMongle and Jerry Navarro crashed Codera for a three yard loss but a pass interference penalty on the next play gave Westmont a first down just inches short of the 10 yard stripe.

Porter fought for five yards before Fahn Pappas stopped Pat Owens for no gain. Codera got three more, Larry La Moine making the stop at the two, and Porter took the ball to the six inch line on fourth down. But it was short of the first down by just inches and Campbell ran out the clock for the hard fought victory.

Borns was superb on the afternoon for the Buccanners. The 5'9", 160 pound running back gained 183 yards on 22 trips with the football and scored Campbell's second touchdown of the day on an 11 yard run with 3:52 left in the first period.



UNDER PRESSURE — Campbell quarterback Jim Knight just gets the ball away in the second quarter against Westmont as Tom Biggam crashes into the Buc thrower. The Bucs won a very close 25-20 decision in their WVAL opener.

(Photography by Dick Sparrer)

TD SAVER — Westmont's Gray Sanden comes up with a touchdown saving tackle after Campbell's Ted Borns broke one 38 yards to the Warrior 10. The Bucs didn't score on this play but did five tries later to get all they needed to win 25-20.

(Photography by Gordon Lew)

Knight hooked up on only two of six passes for 25 completing one to Tom Guardino for six yards and one to John Navarro for 19. But Knight put Campbell's first six points on the board in the first on a one yard run that capped an eight play, 33 yard drive.

A slippery football opened the doors for the Buc's first two touchdowns. John Navarro covered a Westmont fumble on the first play of the game following the kick-off to get Campbell going and Terry Fitzpatrick covered a Westmont bobble on their second try from scrimmage in the game following the second kick-off. That one started a 38-yard drive, capped by Borns' run.

It was also a fumble that set up Westmont's first score of the day. Steve Sieraski recovered a loose Buc ball on the Campbell 22 towards the end of the first period.

On the last play of the first quarter, Porter crushed for seven yards and on the first play of the second picked up five more to the 10. Codera got two, Porter five more and then Porter the final five for paydirt.

Led by the tough play of linebacker Joe Connolly, the Westmont defense held Campbell after the kick-off and forced them to punt. T. Guardino boomed a 36 yarder but Sanden took the boot at the Buc 46 and raced all the way in for the score. Codera ran for the two pointer to all but erase T. Guardino's PAT kick after Campbell's first touchdown.

The Bucs wasted little time getting the lead back, though. Davis returned the kick-off to the Buc 47 before Byron Nobriga pulled him down. Borns ran for 19 to the Westmont 34 and dela Pena got five more. Borns went for another 17 and Jerry Navarro ran for the final 12 yards for the touchdown with 6:22 left in the half. Val Davidson knocked down Knight's pass try for two.

Not to be outdone, Westmont didn't wear the loser's hat too long. Van Amburg returned T. Guardino's kick-off 87 yards for a touchdown to give Westmont the lead back at 20-19.

Campbell has dominated play in the first half of action, notching 146 total yards to 38 for the Warriors.

Davis rambled for 54 yards in the game on 10 totes, his longest gain a 26 yarder, and Guerra got 23 yards on two totes.

Codera was the leading ball carrier for Westmont, carrying the pigskin nine times for 29 yards. Porter gained 27 yards on 10 tries and Owens ran for eight yards on three carries.

Papa went to the air just six times in the game and completed four passes for 50 yards. Van Amburg caught two of those passes for 41 yards and Cortie Dove caught two for nine yards.

Connolly logged the best defensive game on the day for either club. The Warrior sparked his club's defense up front.

Along with those already mentioned, Tom Borjorques, Curt Russell, Dave Weidman, Al Mancinz, Russ Hayslip and Tom Carlen all had good defensive sticks in the game for Campbell.

For Westmont, Gary Deats, Nick Mazza, John Magee and Tom Espinoza are others who played strong defense. Sheldon Henderson added a pass interception for the Warriors.

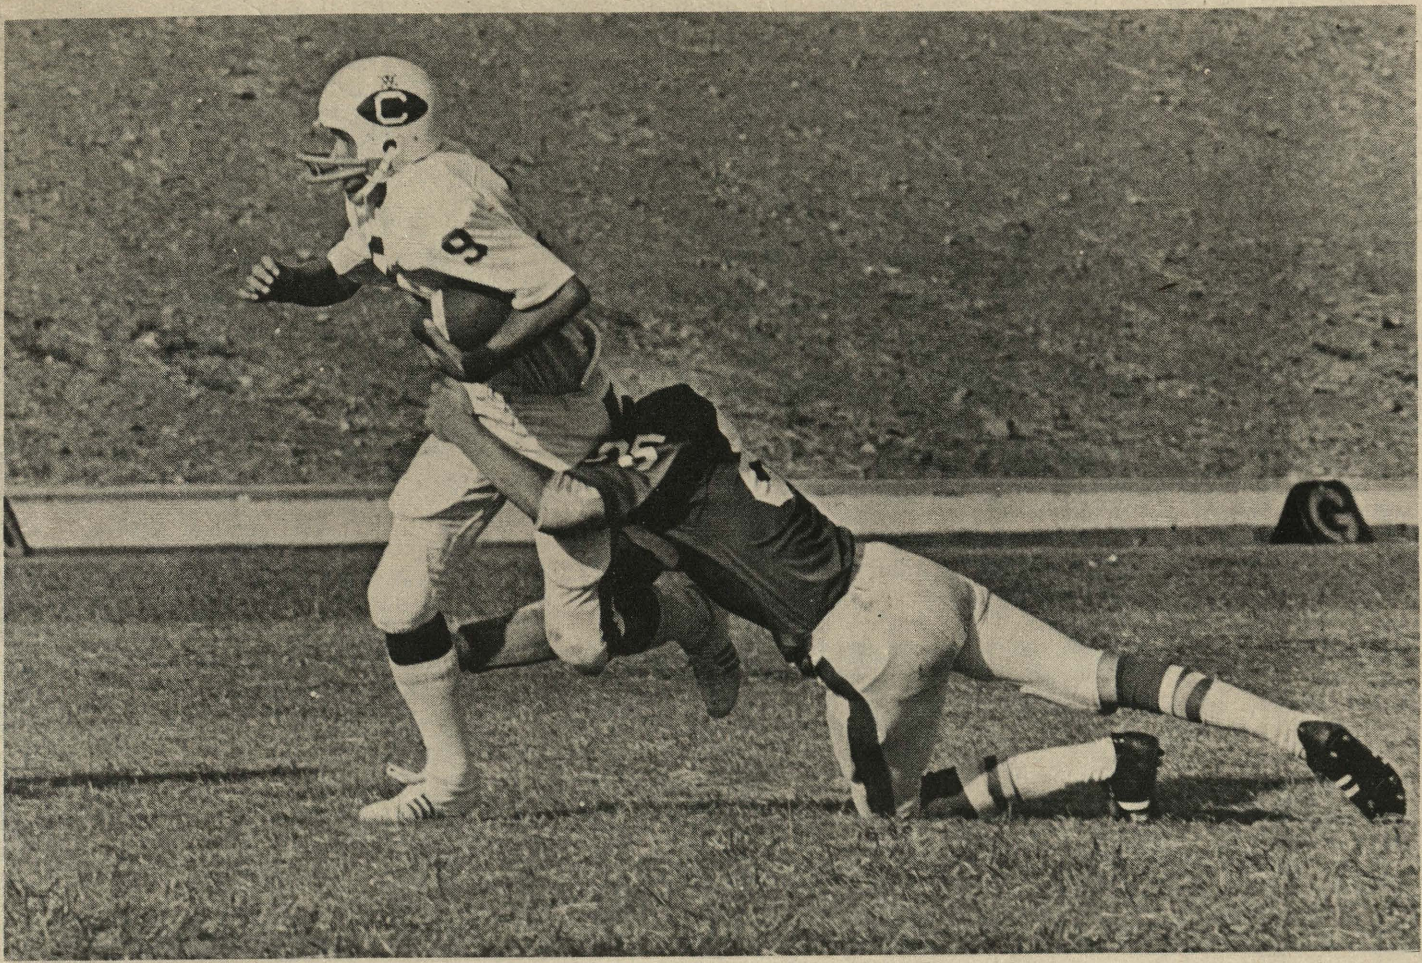
In their season opener a week earlier Campbell crashed Homestead 20-0.

"It was 20-0 but it wasn't an easy win," said Buc coach Al Matthews. "They hit us real hard the whole game."

Knight sparked the Buc effort with a 10 for 18 day through the air for almost 100 yards. He added a four yard touchdown run in the third quarter. Knight passed to John Navarro for a two pointer after his score to make the final tally 20-0.

Campbell rolled up 193 yards on the ground in the game, Borns leading the way with 80 yards on nine totes. Borns scored the Buc's first touchdown on a four yard run in the second. Dela Pena scored again for Campbell in the second on a one yard plunge.

Matthews praised linebacker Charlie Wilcox and defensive halfbacks Davis and McMongle.



QB SACK — Westmont linebacker Joe Connolly broke through the Campbell offensive front to get to quarterback Jim Knight in third quarter action last Friday in the WVAL opener for the two clubs. Despite Connolly's fine defensive efforts in the game, Westmont dropped a 25-20 decision to Campbell.

(Photography by Dick Sparrer)

Kaeding SJ champ

Two more weekends of point competition remain at the third-mile San Jose Speedway for the NASCAR super modified skippers, but the 1973 champion has been crowned.

Campbell engineer Howard Kaeding clinched the San Jose title when he won his 12th consecutive main event and his 17th of the season.

Therefore when the super modifieds roll this Saturday night in '73 program number 31, Kaeding won't have to worry about points — but he can concentrate in lengthening the records he has established during the current season — the number of consecutive wins and the total main event victories which are 12 and 17, respectively.

Kaeding's latest victory brought his unofficial season point total to 1,570 compared to 1,305 for defending champion Nick Rescino. Rescino, already on the ropes when last week's session started, dropped further behind Kaeding when he finished 11th after leading the qualifying.

It marked the first time in 18 years of racing at San Jose that Kaeding won the track championship although he has taken every other NASCAR title during recent campaigns.

Newly crowned California NASCAR champion, Don Epperson of San Jose, clinched third in the local standings with a fourth place finish and moved his point total to 1,047.

October 6 the Speedway offers the final "Olympia 35" main event and on October 13 a 40-lap main event with double points.

Seals look to opener

With two games under their belts, the California Golden Seals move into the second week of their exhibition schedule and, according to interim coach Fred Glover, are "much further along than last year."

"We are definitely ahead of the game," admits Glover after seeing the Seals stun Pittsburgh 8-1 in their exhibition opener and drop a 3-1 decision to the Islanders the following night. "It's obvious we have better rookie talent in camp this year and the veterans are in better shape. And besides, we must be further along because last year it took us four games to win our first."

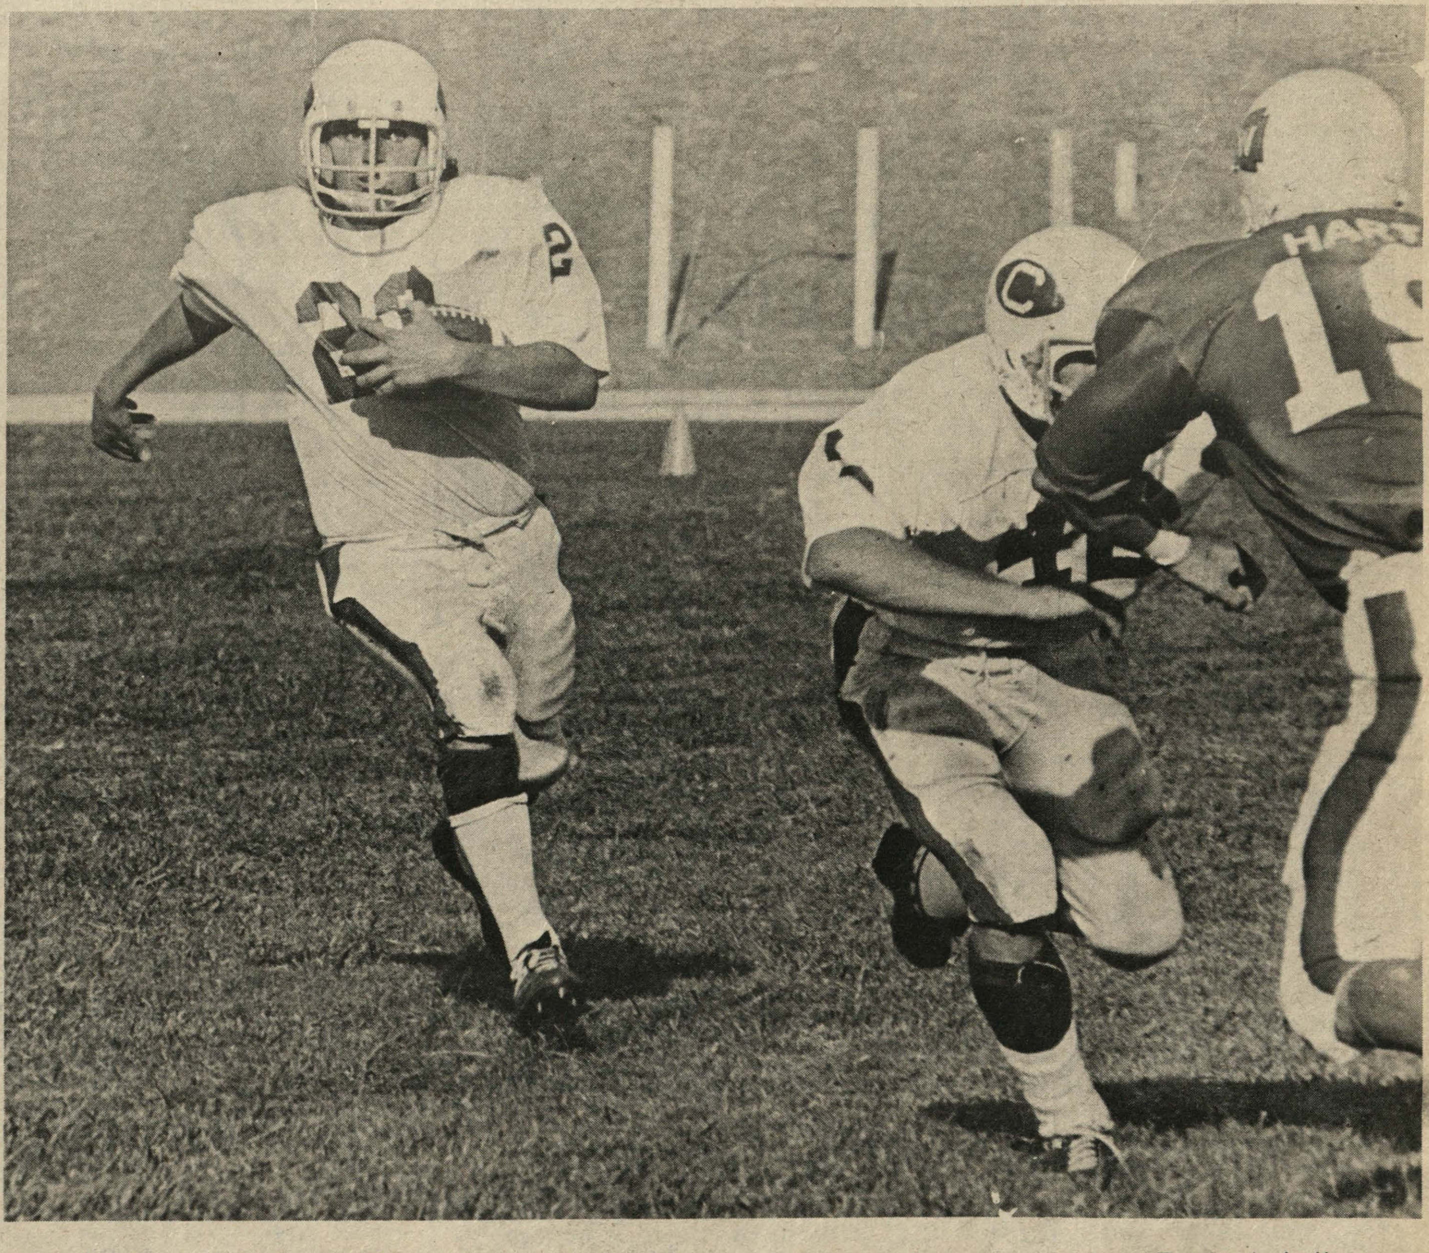
Both veterans and rookies turned in impressive performances against Pittsburgh as Glover experimented with several lines and defense pairings.

Walt McKechnie, the team's leading scorer last year, led the way with two goals and two assists. Forward Reggie Leach added a goal and 3 assists and winger Gary Croteau chipped in with a pair of goals and assists. Rookies Dave Hrechkosy and Gary Coalter, acquired from the Rangers, also looked good in their first outing along with first year men Wayne King, Del Hall and Paul Shakes.

Two-game totals show the Seals outscoring their opponents 26-9 and giving up only four goals. Gilles Meloche and Marv Edwards split the net-minding in both games, each giving up two goals.

The Seals are set to open their 1973 home season Wednesday, October 10, at the Oakland Coliseum arena against the St. Louis Blues at 8 p.m. Tickets sales began last Wednesday at the Seal's ticket office at the arena.

Mail orders for season and individual game tickets are now being accepted at the Seal's ticket office, at the Oakland-Alameda Coliseum, Nimitz Freeway and Hegenberger, Oakland (94621).



BREAK AWAY — Tom Davis cracks Westmont's Tim Hart with a block to snap Campbell running back Ted Borns loose on a big gainer in third quarter action in last Friday's ballgame. Borns romped for 183 yards and one touchdown in the game.

(Photography by Gordn Lew)

Rip Blackford 28-0 in opener / Panthers take from Packer book

The Prospect Panthers took a page out of the Green Bay Packer's play book last week when they ground out a 28-0 league opener win against Blackford.

The Panthers did the three things that Vince Lombardi's great Packer teams did best to rack up their first win of '73. They ran with great success, they played stingy defense and they used the bomb at just the right moment, a la Bart Starr.

Prospect used Starr's favorite play to register their first touchdown of the game, and the only one they would really need.

With third and two inches to go for a first down on the Prospect 48, the Panthers ignored the run and instead went deep. And quarterback Brad Gunthier found Tim Knutson all alone for a 52 yard touchdown. Robert Timpany booted the extra point, as he did after all four of the Panther TD's on the day.

After stunning the Braves with the bomb, Prospect went back to their land assault and enjoyed great success. The Panthers, thanks greatly to the offensive line which was led by Ed Townly and Dale Roberts, came within three yards of rushing for 300 on the afternoon.

Scott Feldman was again the Panther's leading runner, collecting 105 yards on just 12 carries, including a 43 yard romp.

John Stewart crossed the goalline next for Prospect, racing 55 yards on a simple fullback dive. The TD came immediately after Bob Canty had recovered a Blackford fumble on the Prospect 45.

Prospect made their halftime lead a more comfortable 21-0 when Mark Ashman caught a 25 yard paydirt pass from Gunthier to cap a 72 yard drive with less than minutes to go in the half.

The panthers final touchdown of the game came in the fourth period when junior Mark Brownell ended a 72 yard march with a five yard touchdown run.

A brilliant Townly block, that wiped out three Blackford defenders, paved the way into the endzone for Brownell.

Junior halfback Dave Watts had a key 23 yard sweep during the Panther march, to keep the drive alive.

Prospect ended the game with 416 yards total offense, 297 yards on the ground and 119 through the air. Gunther passed only nine times but completed five and averaged 23.8 yards per completion.

Defensively Prospect was led by lineback Glen Holtz, defensive guard Stewart and defensive end Knutson. Stewart and Holtz both recovered fumbles as did Canty and Watts turned in an interception, to account for four Brave turnovers.

The Panthers now take on a powerful looking Campbell (1-0) team Friday afternoon at home. The game is slated to start at 3:30 p.m.

Campbell dumped Westmont 25-20 last week and, according to Panther boss Earl Adams, "they look like they have one of the best teams in their history. They have a fine passing attack and a big, strong and aggressive line."

Vike gridders open CNC

From here on in games start to count in the Camino Norte conference. And the West Valley college Viking football team will try to get off on the right foot Friday night at Santa Rosa.

The Vikes, seeking an unprecedented fifth consecutive CNC crown, open their regular season against Santa Rosa junior college in a 7:30 p.m. contest. WVC won last year's confrontation between the two clubs, 37-21.

West Valley will hopefully have all of the bugs worked out of their offense and defense after suffering through a less than successful pre-season.

The Vikes lost their first two pre-season tilts to Fullerton and San Jose city college. The results of last week's contest with Ventura were not in a presstime.

Prior to the pre-season slate head coach John Nicholas had expected his offensive backfield to be the strong point of the Viking offense. But WVC's running game has yet to get going and meanwhile the passing game, led by quarterback Rick Mallman (Prospect) has blossomed.

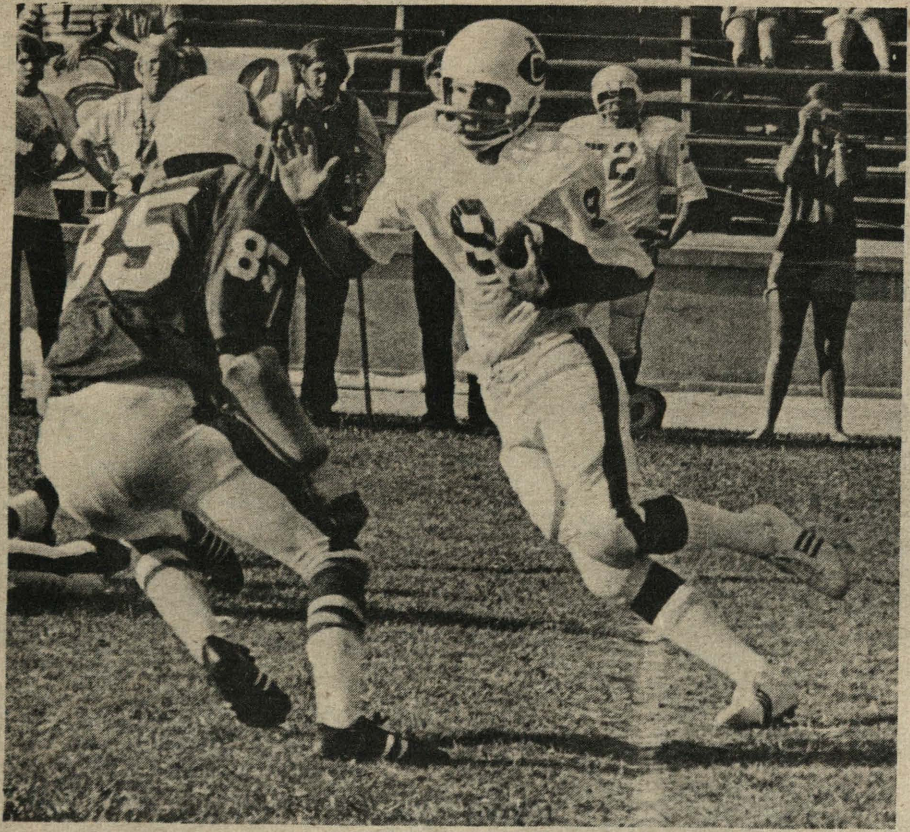
Mallman was particularly sharp in the Vike's recent 53-28 loss to San Jose city college. The Vike qb hit on 15 of 33 passes for 284 yards.

Dave Johnstone (Prospect) has been Mallman's favorite target. The duo hooked up three times in the first two games for touchdown bombs of 42, 20 and 37 yards.

If anything was encouraging about the Vike's dismal pre-season it was the fact that they suffered through a similar one last year.

West Valley lost three of four pre-season contests and then went on to rack up a 4-1 ledger in league play to tie for the conference crown with DeAnza.

PRESS athlete of the week



JIM KNIGHT
CAMPBELL BUCCANEERS
Football . . . quarterback

The Campbell Bucs opened their season with a 20-0 victory over Homestead, largely due to the passing of quarterback Jim Knight. Knight completed 10 of 18 passes for almost 100 yards and ran for one of the three Campbell touchdowns. For being selected the athlete of the week, Knight will receive a free pizza from the Straw Hat pizza parlor, 1400 West Campbell ave., a pass to the Campbell Twin Theaters, 90 San Tomas-Aquino rd., and a picture of himself in action.

Knight was one of two quarterbacks who led the Campbell frosh-soph to the title last year. He also plays baseball and basketball for the Bucs. "He has great leadership qualities," praised coach Al Matthews. "He has good poise out there. For his first game, he was almost like a coach on the field.

Others considered for PRESS athlete of theweek honors were Tom Guardino and Ted Borns of Campbell, Mark Ashman and Bob Canta of Prospect and Bert Codera of Westmont.

Prep grid slate

THURSDAY —
Overfelt vs. Mt. Pleasant at PAL, 7:30 p.m. (MHAL)

FRIDAY —
Silver Creek at Hill, 3 p.m. (MHAL)
Ayer at Lick, 3 p.m. (MHAL)
Westmont at Del Mar, 3:30 p.m. (WVAL)
Campbell at Prospect, 3:30 p.m. (WVAL)
Branham at Blackford, 3:30 p.m. (WVAL)
Los Gatos at Camden, 3:30 p.m. (WVAL)
Yerba Buena vs. Milpitas at PAL, 7:30 p.m. (MHAL)
Pioneer vs. Willow Glen at SJCC, 7:30 p.m. (STAL)
Leigh vs. Saratoga at Los Gatos, 8 p.m. (WVAL)
Leland at Live Oak, 8 p.m. (STAL)
Lincoln at Gilroy, 8 p.m. (STAL)
San Jose vs. Sunnyvale at Diesner field, 8 p.m. (Non-league)

SATURDAY —
Oak Grove vs. Piedmont Hills at PAL, 7:30 p.m. (MHAL)
